AMATEUR HOUR GOES OVER BIG

The ACT Amateur hour was held in Squamish last Thursday night with ten contestants from three Howe Sound points taking part. At the close of the evening the Four Mandolins were leading with 188 votes, Arlene Lea of Woodgre who played the Sabre Dance was second with 180 votes, and Jackie Long, who played an accordion solo was in third place with 163 votes.

The two-hour long performance started with a selection by each of the ten contestants who then came back and gave their best performance which was tape recorded by Dave Pomeroy of CKWY and Cal George of the same radio station was master of ceremonies.

Bill Dent and Jackie Souster opened the recorded program with a piano and accordion duet, a schottische, followed by Anne Midnight and Staffi Zack who tap danced and sang "Bicycle Built for Two." F. Radflux, an electrician from Britannia, sang "Viennese Dreams," then Joanne Feschuk and Dianne Mc Herson played a violin and piano duet, followed by Ellis Mosley, Britannia, who recited Albert and the Lion. Evelyn Woodhall of Britannia, who won last years contest sang "Without a Song," and Arlene Lea gave a piano solo, followed by Allen Johnson, also of Woodgre who played "Prelude in C" on the piano. Jackie Long was the next performer and the 4-Mandolins closed the show.

The amateur hour was sponsored by the BPOE No. 119

CHANNEL DEEPENING NEARLY COMPLETED

The dredging of the old channel of the Mamquam River from the Empire Mills booming ground to the mill is nearly completed.

Work on the lower stretch was done this spring and the channel between the B & M dump and the mill was deepened this summer. George Behrner and his shovel are finishing the piece by the Red Bridge.

The gravel scooped out of the channel is being loaded into trucks and hauled to the school grounds. When the job is done the river bed will be deeper and wider and it will be easier to move the logs.

and C. H. Smith and A. Gross were in charge of auditions here. Mr. Kuzych kindly donated the theatre and all proceeds from the show go to the Associated Canadian Travelers Arthritis fund.

In the last three years this group, an association of Canadian travelling salesmen have devoted their efforts to aiding the drive against arthritis. They are attempting to raise \$25,000 this winter but actually about seven million dollars are needed to secure the amount of cortisone needed to combat the disease in B.C.

All proceeds from the Squamish performance are earmarked for use by arthritis sufferers in the Howe Sound area. \$318.74 was raised at Thursday's show.

Ed Watson of the ACT was in charge of the show, assisted by Reuben Coatsworth, contestant manager; Andy Lakie, voting manager; Eric Milburn, hall manager.

PTA Launches Book Drive

The library was the main item of business at last week's PTA meeting with plans made to launch a book drive. It was suggested that each member contact five other persons asking them to donate two suitable books to the library. Mr. Bird kindly offered to collect these books and can be reached at 92M.

The teachers have decided to divide the one hundred dollars voted for new books at the last meeting, equally between grades 1, 2 and 3.

Mrs. Kirkwood, Mrs. Fraser and Miss Crane were named to a committee to look into the possibility of securing a dentist for Squamish.

About thirty-five members heard three very interesting talks. Miss Lavinia Crane PHN gave a short talk on Dental Clinics Mrs. McCosham spoke on the English language and Mr. Lutack chose as his theme "The change in the aims and objectives of man from the past to the present."

The annual Xmas hamper will be drawn for at the December meeting and the next meeting will be held in the new school on Nov. 8.

Johnny Get Your Gun Hunters Ready For Season

Bird hunters are eagerly awaiting the opening day of the grouse and duck season on Saturday. Grouse are reported to be plentiful but the large flights of ducks from the north have not arrived here yet. At present the only ducks here are the ones who have nested in the valley.

The willow grouse season lasts for ten days from Oct. 20-31 but the duck hunters will have almost two months from Saturday till December 18 in which to hunt.

Fresh snow which fell on the mountains last weekend should drive the deer down and we expect to report the first buck of the season any time now.

will be announced Saturday, October 27, over the CKWX Amateur Hour at 9 p.m.

"I'm afraid you've made a mistake," Ed said, "I'm not Charlie Jones I'm Ed Bishop."

"So," sneered the stranger, "You changed your name too."

Despite high winds and heavy seas, a B.C. Airlines plane flew a 20 year old Wood-fibre youth, Vic Brait, from Squamish to hospital in Vancouver last Friday. The youth and his mother were in Squamish staying in a small house near the old Brackendale hall when he became ill with a perforated ulcer. His mother called the plane and inside of half an hour the pilot landed here. Mrs. Brait accompanied her son on the flight.

Support the Book Drive

Last week the Squamish Valley Parent Teacher Association launched a drive to secure more books for the school library. An interest in reading and a knowledge of good books is essential to a good education and that interest should start in school. Therefore a well-stocked library is a necessity.

There must be a great many homes in Squamish in which the children have grown up or are growing up and have reached out for adult reading material. In these homes there must be many suitable books for the smaller children or even those of high school age. These are the books the PTA is anxious to secure for the children.

A search of bookshelves and children's cupboards should reveal quantities of books. These could serve no better purpose than giving pleasure to a great many children.

Call Mr. Bird at 521 if you have any. He'll be glad to pick them up and see they are delivered at the school.

SNOWMOBILE TO ARRIVE HERE SOON

The first real snowfall of the year which whitened the mountain tops last Sunday coincided with the news that the Diamond Head Chalet's snowmobile should be in Vancouver this weekend. It was shipped on the 15th and is expected to reach Vancouver on Saturday, and can be expected here soon after.

The Brandvolds have done a great deal of work on the snowmobile road this summer and the stretch between base camp and the falls is in good condition. Work has still to be done between the falls and the big basin above the shelter hut and this will be done later in the fall.

They will not be able to take guests to the Chalet this winter but skiing in the basin is excellent and the snowmobile will eliminate the long climb. The new machine will make the area accessible to Sunday skiers.
