LOGGING NOW IN FULL SWING HERE Trade Board Discusses Site Of New Dyke

Logging is almost in full swing here. Howe Sound has moved to a new setting and logs are rolling again. They are also building a new dump at the old power house.

H & W started logging on their claim on Monday and the mill on River Road is operating at capacity.

B & M are logging in the Stawmus area and Squamish Towing have fallers working both across the Squamish River and in the Evans Lake district.

Road building, both in Paradise Valley and across the Squamish is in full swing, in preparation for the summer's logging.

The Squamish and Howe Sound Board of Trade at their regular meeting last week heard a report on the Associated Boards council meeting at Langley Prairie last month, which Mr. Behrner attended as the delegate from the local group. Several resolutions were presented at the meeting including one from our Board concerning the highway.

Mr. L. McPherson has been added to the executive council. The Board decided to hold their annual May 21st celebration and also pledged all possible help to the Klondyke night next month.

Plans for the auction sale are well under way and they hope that everyone will attend the sale on Saturday. All proceeds will go to the hospital equipment fund.

The public works committee investigated the location of the proposed dyke which will run in a northerly direction from the end of 7th street to the PGE tracks. They feel that this dyke will relieve the water situation at Cowdell's corner.

Ingles, and Kathleen Rudkin. Boys, Ronnie Knowles, Harry Tutin, Mark Walton, Brian Whalen, Roger Graveling, Robert Fogelin, Alan Chadwick and Francis Niro.

Squamish players were; for the girls; Martha Ingraham, Shirley Bazley, Del Tatlow, Lynette Munro, Inez Nygard,

June Frost and Nancy Ann Hill. Boys were Bill Carson, Jim Buchanan, Bill Dent, Bill Norma Van Horlick, Cordelia Wray, Thor Halvorson, Alan

HOSPITAL BOARD CHOSEN HERE

At the first annual meeting of the Squamish Hospital Society in the theatre on Thursday, March 6, nine trustees were elected. Chosen for a three year term were Mrs. R. McCormack, W. Gedge, Squamish, and W. Green, Pemberton. Mrs. G. S. Clarke, G. Behrner and H. Bailey will serve for two years, and R. Chapman, T. Clarke and J. Gault will serve for one year terms. Two other members, one selected by the government, D. DeBeck and one appointed by the village commission, J. Aldridge.

At a short meeting which followed, the committee chose G. Behrner as president. H. Bailey, vice-president and Mrs. G. S. Clarke, secretary, and J. Gault, treasurer.

The financial report read by Mrs. McCormack showed that the committee has sufficient money to pay the balance of the community's share of the construction. However the unpaid pledges would be sufficient to pay for the hospital equipment. If these pledges are not honored in the near future it will be necessary for the Society to raise about five thousand dollars to complete the furnishing of the hospital. A further two or three thousand dollars are necessary to see the hospital commence operation.

The society has purchased the surgical equipment for the hospital, the Elks have raised one-third of the cost of the X-Ray machine and other groups are helping.

Mr. Clarke, the retiring president, told the members of the society that the hospital was nearly completed, the plastering is finished and they are ready to start decorating. He hoped that the building would be ready by April 1.

Dent, Floyd Adams and Len Siggers.

The girls played a particularly good game and their passing was excellent. We wonder if Jim Buchanan managed to down all those cokes he won but we hear that a repetition of those bets will "bench" him. It isn't worth it, Jim.

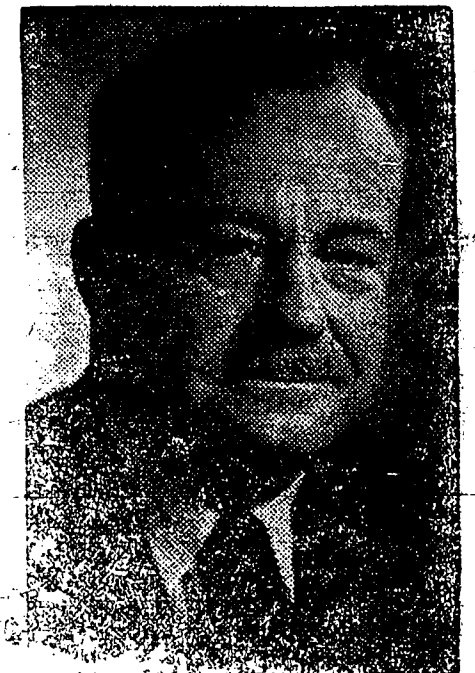

Faller Injured In Logging Accident

Neil Blue, a faller employed by Squamish Towing, was seriously injured in a logging accident last Friday afternoon.

Mr. Blue was working with Mr. Fassler on the Stoney Creek show, across the Squamish River from the shops, when he was hit by a log and knocked over a bluff. He was taken to Squamish and, after emergency treatment by Dr. Kindree, was flown to hospital in Vancouver.

Mr. Blue is believed to have back injuries and latest reports from the hospital say that his progress is satisfactory.

Program Director

E. L. Bushnell, director general of programs for the CBC has been in radio work most of his life. He has instituted many important developments in the network in recent years. Among them are the increase in network programs and the CBC "Wednesday Night" features.

The CBC International Service, which sends shortwave programs to Europe and other parts of the world is another of his ideas.

HOSPITAL TO PROFIT FROM STORE'S SALES

To celebrate the anniversary of the opening of his store in Squamish, Foon will give ten percent of the proceeds of Monday, March 17th's sales to the hospital fund.

Mr. Foon also stated that he would donate a sum equal to a day's wages from each of his employees to the fund.

Basketball Games Won By Local Teams

Squamish High School won the first basketball games held in the new gymnasium at the Squamish school on Monday. The boys defeated the Woodfibre team by a score of 50-18.

An afternoon game between the two girl's teams was won by the local girls with a score of 20-10.

A crowd of about three hundred saw Mr. G. Hurley of Britannia, chairman of the school board, open the game with a basketball he donated to the school.

Woodfibre players were: girls; Arlene Lea, Pat Ramsay, Lois Chadwick, Anne Francis, Norma Van Horlick, Cordelia Wray, Thor Halvorson, Alan

Chalet Prepares For Easter Season

A new transmission for the snowmobile which will enable the machine to climb the steep parts of the road and run at lower speeds is coming from the east. It should be installed and in operation before the Easter season.

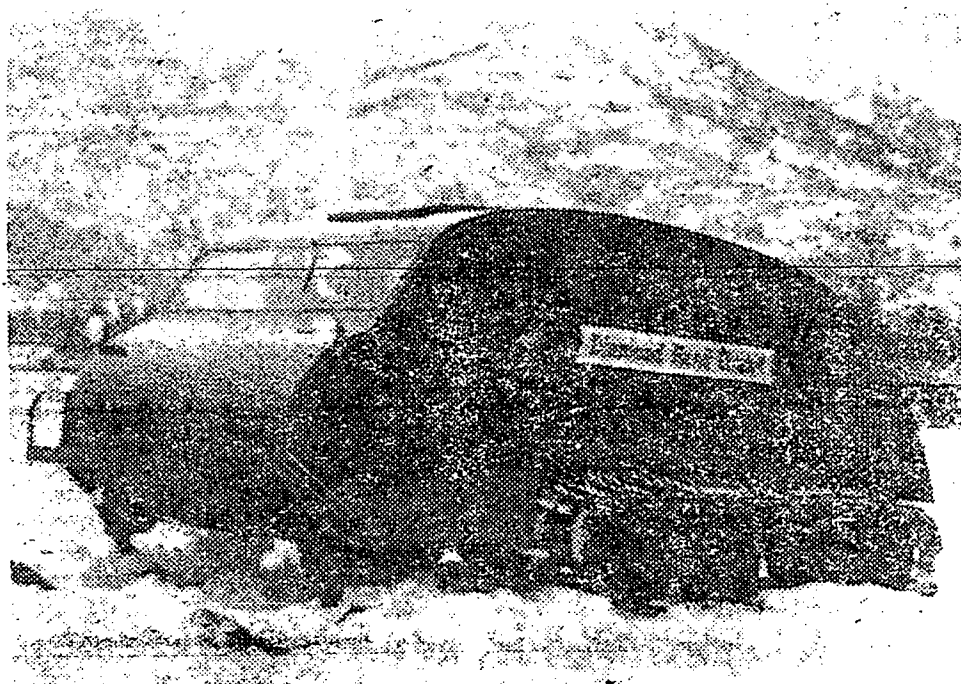

Mrs. Brandvold reports that the Chalet is booked solidly for the Easter holidays. It is open now to accommodate the Okanagan Air Lines personnel who are training in that area. A large Sikorsky will be used as well as the Bell helicopters which landed here.

The road has been plowed

as far as Suicide Bridge and the snowmobile can run from there. Work of widening the road above Base Camp will start this week.

There will be a ski instructor at Diamond Head Chalet during the Easter season. Marcel Schuster, an European ski instructor, who was in charge of the U. S. Army's German ski school before he came to Canada, will arrive at the Chalet about the first week in April.

Mr. Schuster is also a graduate of the European Hotel school and is an expert cook. He will assist the Brandvolds in running the Chalet as well as instructing. He is also an
