## SQUAMISH FALL FAIR <sup>FOF</sup> PROVES BIG SUCCESS

A record crowd of almost five hundred and fifty people attended the fifth annual Squamish Valley Fall Fair on Labor Day. The fair was opened by Mr. G. S. Clarke, chairman of the village commissioners, who commended the committee on the excellent work they had done in making the affair the showcase of the district. Mr. G. Carson, the president of the board of directors of the fair stressed the fact that fairs promoted better garden produce and home arts, as well as showing the public the creative work done by local hobbyists and photographers.

The judges, Mr. W. Christie, district horticulturist from Abbotsford; who judged the fruit and vegetables; Mrs. W. Craige of the B.C. Gardeners Council, the flowers; Mrs. W. McLear of the Vancouver Province Modern Kitchen, who judged the cooking; her assistant, Miss Dorothy Britton, who judged the needlework; and Mr. L. Wells, who had the difficult decision of awarding prizes in the school children's section. All spoke of the improvement in quality in the classes. Mrs. McLear in particular praised the children's cooking, which she said was excellent—some of the cakes being better than those she had seen baked by adults in other fairs. Mrs. Craige commented on the flowers, and particularly praised the house plant section and decorative work.

Mrs. A. P. Barnfield again won the prize for the most

points in the fifth annual fair. Winners in the individual section were: Vegetables, L. McPherson; fruit Mrs. Barnfield; dairy produce, Mrs. E. Axen; canning, Mrs. Barnfield; flowers, Mrs. J. M. Hurren; cooking, Mrs. Tatlow; needlework, Mrs. Crowley; school children's section, Wilma DeBeck; hobbies, Mrs. S. Harrison; and child's aggregate, Donna Sande.

During the evening a group of girls under ten years of age went through a gymnastics routine and were followed by an exhibition of folk dancing done by the older girls. These classes were pupils of Mrs. Andreason and the girls were Sally Allott, Lillian, Marilyn and Norma Cowdell, Barbara DeBeck, Karen Halvorson, Edith Marchant, Margaret Marsh, Judy McNamee, Donna Moore and Sheila Nygard. The folk dancers who featured dances from various countries were Marilyn Cowdell, Joanne Feschuk, Ruth Jacobsen, Wilma Jordan, Wilma DeBeck, Beverley Long, Jackie Long, Dianne McPherson, Pat Moore, Retta Rae and Pat Wilson.

Immediately following the dances Hugh Jones and Floyd Adams, who have just returned from a Pro-Rec course in Vancouver, gave a gymnastics display which really brought down the house. Their work with the spring board and vaulting horse was really sensational.

Mrs. F. Mathison was winner of the silver tea service offered as a door prize. In all it was the biggest and best fair ever held in Squamish.

## DISTINGUISHED VISITOR MEN DESERT SHIP AT BRITANNIA

L. S. ST. LAURENT

Prime Minister of Canada, who is now visiting the Pacific coast.

Nicholas Cryst and Lovene Millar, two crew members of a ship of Greek registry, who had abandoned their ship at Britannia were picked up at the dance in Squamish last Friday night by the local RCMP detachment.

Cryst was a fireman and Millar a deck-hand on a ship which was loading pyrites at Britannia. The ship had sailed for San Pedro when their absence was noticed and immigration authorities in Vancouver asked the RCMP here to look for them.

The men were taken to Vancouver to await transportation back to their native land.

## BOY INJURED BY BLASTING CAP

Brian Taylor was rushed to hospital last Thursday evening with an injured right hand and bruises as a result of the explosion of a blasting cap he was carrying.

He was climbing Bughouse Heights with two other boys when he found the blasting cap. The other two had gone on ahead and Brian was climbing up to them when he slipped and the hand in which he was holding the cap came down on the rocks.

The cap exploded, injuring the palm of his hand and his right shoulder and some bits of metal were embedded in his cheek and eyebrow.

## Check Those Lights

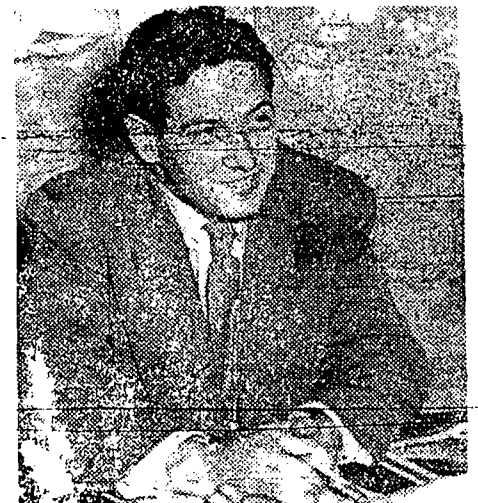

Drivers with defective headlights or tail lights are advised to have them checked as soon as possible as the RCMP plans to launch a campaign against them in the near future.

All drivers found with faulty lights will be liable to fines.

## DANCE PRIZE WINNERS

Winners of the prizes at the annual fall fair dance were: Fishing rod, Jack Cooper; train case, Mr. T. P. McGee; lamp, T. Rivett; \$10 record order, Mrs. S. Harrison; sheets Mrs. R. James.

## Need Another Bus

With twenty-eight pupils from Britannia Mines attending the high school here, the school board has found it necessary to secure more transportation as the present bus carrying Britannia Beach pupils is full to capacity.

A five year contract with East Howe Sound Stages has been signed whereby the pupils are taken from the Townsite to the Beach and then returned at night. A Squamish Stages bus then takes them to school here and returns them to the Beach in the afternoon.

## Communications

Editor,  
Squamish Advance,  
Dear Sir:--

I wish to take this opportunity to express thanks of the organization to which I belong and the children of Squamish to those who helped make the swim trips to the Britannia pool possible this summer—in particular Jack Frost of Western Plywoods, for transportation; as well as Earl Watt, John Jacobsen of Empire Mills, John Hunter, George Aalten and A. W. Hendrickson, all for transportation; and Mr. Martin Halvorsen, five dollar donation. The CCF Club also made a donation to cover the cost of one trip.

The following good citizens donated freely of their time and without their help the trips would not have been possible:

Dennis DeBeck, Beth Tatlow, Geo. W. Lyons, Mrs. L. McPherson, Jack Frost, Western Plywoods.

These trips have been very successful and as a result many of the children have either learned to swim or improved their swimming.

Yours truly,  
J. Tinney,  
President Squamish

### Squamish Kids Win Swimming Prizes at Meet

Squamish children attended the swimming meet at Britannia Beach last Saturday and participated in events here. Several of the children won in these events. Bob Lingma, the instructor at Britannia said that he enjoyed having the Squamish kids at the pool every Saturday. They have shown remarkable progress but there should be a swimming pool in Squamish for the children to really develop as swimming is one of the most perfect sports for developing a child's body. He also commended the Recreational Association for their splendid work in organizing the swimming trips and expresses his appreciation to them.

A display of clown diving by five Britannia children was very interesting.

Squamish winners at the meet were:

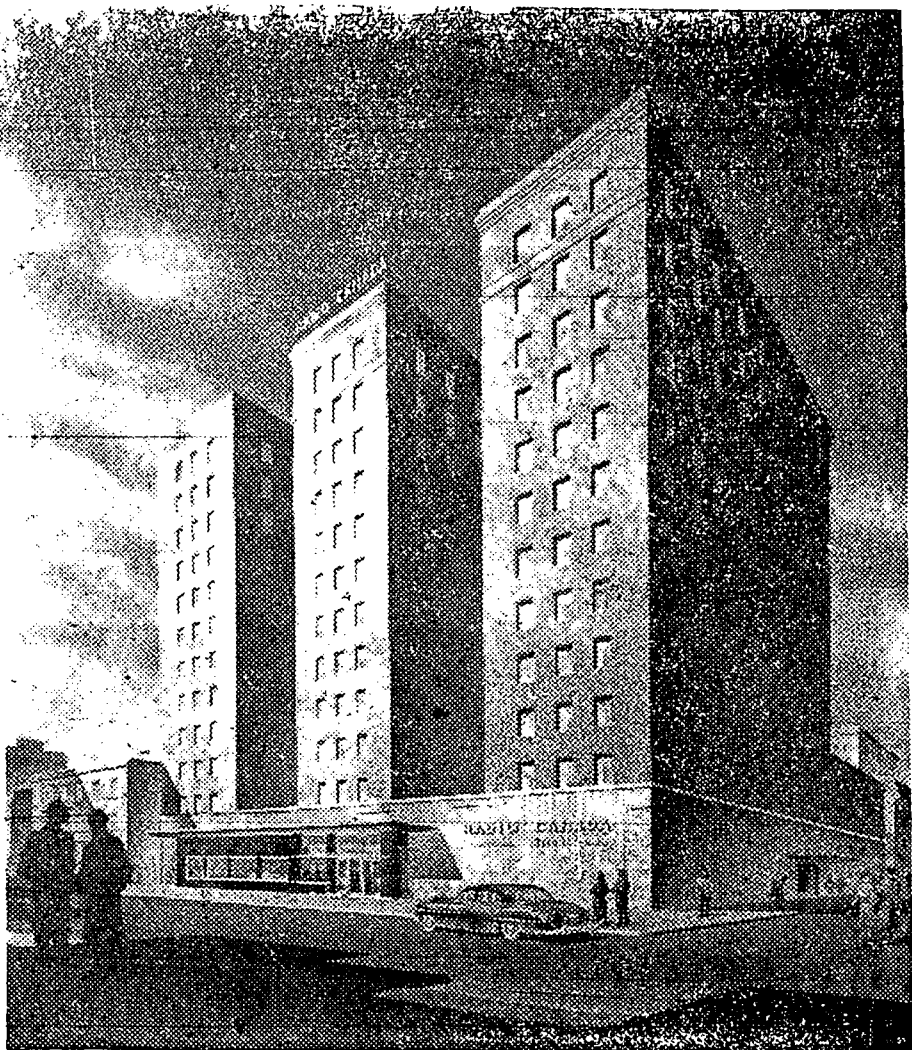

With a youngster in hospital with an injured hand as a result of the explosion of a blasting cap he found, it is a good time to warn children of the danger of handling them. A blasting cap is a small shiny metal cylinder, a little longer and a little thicker than a .22 long rifle shell, but it packs a terrific wallop. A great many children have been injured or maimed for life as a result of finding them and experimenting.

Any such object should be left strictly alone and the finder should notify the RCMP at once. Doing this instead of playing with it could save a life—perhaps your own.

### Twins Born Here

The first twins in the new hospital were born on Tuesday night. They are the sons of Mr. and Mrs. C. Harding of Squamish.
