

THE SQUAMISH ADVANCE

Vol. 4, No. 7

Squamish, B.C., Thursday, September 10, 1953

Price 5c

FALL FAIR IS GREAT SUCCESS

Exhibits in the 1953 Fall Fair, particularly in the flower section were as good as those at the PNE, and in some cases better, according to Mrs. Florence Craigie who judged the section both here and at the PNE.

The fair which drew a record attendance of more than five hundred adults did not have quite as many exhibits as last year but the quality in all cases was excellent.

Mr. Gordon Gibson, MLA for Lillooet, officially opened the fair and spoke briefly on the excellence of the exhibits and expressed the hope that more people would some day be able to attend it when we had road access to Vancouver.

A sports day for children followed and a gymkhana was put on by the Riding club. There was a great deal of interest in these events.

Mr. H. Binning was winner of the grand aggregate prize for the most points in the fair, and he also won the vegetable aggregate. Other aggregate winners were: fruit, J. Edwards; dairy produce, Mrs. Axen; flowers, Mrs. S. McDonald; canning, Mrs. Axen; cooking, Mrs. Tatlow; needlework, Mrs. Riis; school children's section, Gloria Appleyard, girls aggregate, Dianne McPherson and boys aggregate, Denny McDougall. Mrs. A. P. Barnfield won the silver tea set offered as a door prize.

At the Friday night dance winners of the prizes were: reel and tackle box, Jay Dren-a; train case, Bill Barnfield; toaster, J. Pearce; steam iron, L. Hansen; Coleman stove, G.

SCHOOL FIGURES SHOW INCREASE

Enrollment in the Squamish school is up this year. There are three hundred and fifty eight children in the school, 28 more than last year.

In the elementary school, in grades one to six there are 166 pupils as against 170 last year but more are expected to attend in the next few days.

In high school there are 32 more pupils than last year. The figures are 192 against 160 last year. Six of these pupils are in Grade 13, senior matriculation, which was not held last year.

POLIO VICTIM IS TAKING TREATMENTS

Jim Armstrong, who has been paralyzed after an attack of polio last year is in Denver for chiropractic treatment, which may help him.

He left here last Friday and flew from Seattle to Denver, arriving early Saturday morning and is now undergoing treatment there.

The polio fund, raised to help him has nearly reached \$1,800, which will assure him of a three months course of treatments.

The committee has been overwhelmed by the response to the appeal for donations but would like to remind those who may wish to donate to the fund that additional monies may be needed for further care for him.

Dawe; electric kettle, Clayton Thorne; record order, Mrs. F. Wilmer.

CARS DAMAGED IN COLLISION

Two people were taken to hospital here Monday night following a two car collision on the highway just above Buckley's crossing about 10 p.m. Mr. and Mrs. J. Sabotka received medical attention and he was allowed to go home. Mrs. Sabotka, who was cut in the accident, remained in hospital.

Mr. C. R. Crocker was driving north on the road when his car was struck by the car driven by Mr. Sabotka who was heading for Squamish. Mr. Crocker suffered no injuries.

Mr. Sabotka appeared before magistrate Paul Powell in police court here Tuesday morning, charged with failing to give half of the travelled portion of highway when meeting another vehicle, and fined \$10 and costs.

Damage to the two cars has been estimated at well over \$500.00.

Dr. Chu Wins McGill Award

Dr. D. Q. Chu, who spent August here relieving Dr. L. C. Klndree, who was on holiday, has been appointed Hosmer Teaching Fellow in McGill University's department of medicine and clinical medicine.

He is a graduate of McGill and was an assistant resident at that university's department of bacteriology and pathology last year.

His fellowship at McGill is worth \$2,000 in post graduate training.

WORK PROCEEDING AT SURF INLET MINE

Twelve men, using two diamond drills, are working a 24 hour day at the Surf Inlet mine near Squamish. They are carrying out an extensive exploration and development program. Results of the recent drilling has encouraged them to proceed with the work and present plans call for it to continue until the snow flies.

Dr. Victor Dolmage, consulting geologist for the company, recently visited the property.

LOCAL BOYS WIN BALL TROPHY

The Squamish team won a round robin series of games played in Woodfibre last Sunday. The Little Leagues brought home the Bonabelle trophy donated by Howe Sound Lines.

In the first two games Britannia Beach defeated Townsite 8-2, and Squamish defeated Woodfibre 4-1. Our boys then played the Beach, the score in that game being 2-1.

Jimmie Antosh pitched the second game and had fourteen strikeouts. Donny Baker was the pitcher in the first game. The trophy will be displayed at Mackenzies.

Another series will be played at Britannia Beach next Sunday.

Town Planning

The subject of town planning was discussed at length at the meeting of the village commissioners Tuesday night.

The rapid growth of Squamish has brought many unexpected problems and this is one of them. The commissioners feel that certain areas should be set aside for business, industry and residences.

As there is a great deal of research to be made before any town plan becomes a reality, the subject is still in the discussion stage and a representative will likely be sent to the town planning meeting to be held in Vancouver this fall.

B.C.'s Oldest and Newest Refinery

British Columbia will have the largest and most modern refinery in the Pacific Northwest when Imperial Oil's Ioco plant is officially opened Sept. 16. Ioco was British Columbia's first refinery - having been opened in 1915. Today it has been re-equipped with new units, including B.C.'s first fluid "cat cracker". Above is one of the towers of the atmospheric and vacuum distillation unit, the first piece of equipment through which the crude oil passes on its journey through the refinery

Police Court

The following cases appeared before stipendary magistrate Paul A. Powell in police court in Squamish this week.

On September 5, Sebastian Edmonds was charged with intoxication off an Indian Reserve and fined ten dollars and costs.

SEALED TENDERS addressed to the undersigned and endorsed TENDER FOR BOAT HARBOUR WHARF SQUAMISH, B.C. will be received in the office of the Secretary, until 10 p.m. (E.D.S.T.) WEDNESDAY, SEPTEMBER 10, 1953.

Plans, form of contract and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Works, Ottawa, at the office of the District Engineer, Post Office Building, New Westminster, B.C. and at the Post Offices at Nanaimo, Squamish, Vancouver and Victoria, B.C.

Tenders will not be considered unless made in printed forms supplied by the Department and in accordance with conditions set forth therein.

Each tender must be accompanied by a certified cheque on a chartered bank in Canada, payable to the order of the Minister of Public Works or Bearer Bonds, as specified in the form of tender for 10% of the amount of the tender.

Note: Upon application to the undersigned the Department will supply blue-prints and specifications of the work on deposit of a sum of \$200 in the form of a certified bank cheque payable to the order of the Minister of Public Works. The deposit will be released on the return of the blue-prints and specification within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.
