Vol. 2 — No. 51

Squamish, B.C., Thursday, December 18, 1958

10¢ Per Copy

REPRESENTATIVES OF SCHOOL DISTRICT No. 48 (Howe Sound) met in the School Board offices, December 12, to appoint trustees in unorganized attendance zones. From those zones are, left to right, Jim MacDonald, Britannia Beach; Joe Skerratt, Mamquam; Mrs. L. M. Moran, Birken; Mrs. Freda Mitchell, Pemberton Meadows; Jim Riis, Brackendale; and Bob Silcock, Garibaldi. Unable to attend the meeting was Mrs. Sally Purden, representative for Mount Currie.

Trustees, though representatives, are not shown above. For 1959 they are, Mrs. Margaret Fougberg, Mrs. Myrtle Phillip, Harold Bailey, Harold McBean, Len Allan, Bill Manson and T. B. M. "Slim" Fougberg. Re-appointed were Mr. McBean, Woodfibre; and Mrs. Phillip, Alta Lake. Elected in Pemberton and new to the board is Mr. Fougberg. Also new and trustee by acclamation is Mr. Manson, Squamish.

Park and Hospital Vote Approved

Antosh Leads Poll Kindree In Again

E. J. Antosh headed the polls, December 11, when he was re-elected commissioner for a second two-year term, with 175 votes.

L. C. Kindree, M.D., also commissioner for a second two-year term, was re-elected a close second with 167 votes. R. V. Rennie lost his first bid for commissioner with 109 votes.

The park referendum was approved, 193 to 39, allowing the council to accept a 20-year renewable lease of PGE property.

Plebiscite for a Hospital Improvement District was approved, 201 to 129, in the whole area from Birken to Lions Bay comprising School District No. 48.

PEMBERTON OPPOSES Pemberton Meadows and Pemberton Village were decidedly against the Improvement District and opposed the plebiscite 19 to 2 and 22 to 12 respectively.

Garibaldi, Woodfibre and Birken were each tied, one for and one against.

Brackendale approved by a majority of one, 12 to 11.

Britannia Beach polled one vote in favor. Alta Lake approved 6 to 1. Mount Currie voted in favor 4 to 2.

In Squamish, the vote was 162 for and 71 against.

Archie Smith, school trustee since 1941 with the exception of one year, 1956, retired from the board at a representatives meeting on December 12. Student population, down this year in the Woodfibre, Britannia, Mount Sheer attendance zone, necessitated reorganization. One trustee was dropped. Mr. Smith's first five years as trustee was on a three-man board at Mount Sheer, when there were two high school rooms and two elementary rooms there and only two elementary rooms at the Beach. High School students at the Beach commuted to the upper townsite by electric train in those days. Mr. Smith recalled. Board members then were George Lipsey, J. B. Hamilton and Mr. Smith. In 1946 this attendance zone became part of the larger School District No. 48 (Howe Sound). Mrs. Fougberg, chairman, stated at the meeting that reorganization was causing the board to lose a "very valuable trustee."

45 Acres of Water Front Area

Urgent Request Park At Porteau

A waterfront park at Porteau Cove on Howe Sound has been proposed to the Provincial Government by The Lower Mainland Park Advisory Committee.

The proposal, in a letter to the Hon. Earle C. Westwood, Minister of "Recreation and Conservation," reads:

"for an immediate start on a Provincial Park at Porteau Cove on Howe Sound, approximately 25 miles from Vancouver on the new Squamish Highway."

"The PGE Railway owns a mile of waterfront at this point which is most suitable and desirable for park development."

"There is some forty acres of water front area owned by the PGE that would make excellent picnic grounds, bathing beach and parking areas."

"A boat launching ramp for fisherman and a marine park could also be established here."

"This waterfrontage is the only sizable piece of land that is suitable for mass recreation purposes along the eastern shore of Howe Sound."

The Advisory Committee suggests this would be done under the Federal Government's special winter work home.

FAST MAIL SERVICE HAULED BY TRUCK

Contract for hauling mail by truck to Squamish, beginning December 12, was awarded to R. C. Farrell, Vancouver.

The new service, daily except Sunday, gets the mail to Squamish at 12.30 a.m. taking the out-going mail back to Vancouver, and also to Britannia and Woodfibre.

Squamish Post Office hours as announced by Mrs. Margaret Brown, postmistress, will again be from 9 to 5.30, closing as usual Thursday afternoon.

Mail going south to Britannia and Woodfibre will now be sorted at Squamish and put in separate bags for delivery by Mr. Farrell.

Previously this mail went to Vancouver and back again.

Extra Christmas rush help at the Squamish office are Mrs. Fern Green and Wes Hamilton.

NEXT EDITION DECEMBER 23

Next week's edition of The Times will be published on Tuesday, December 23.

Be sure to have all copy and advertising in to the Squamish office by Saturday, December 20, before 5 p.m.

Almost 50% Cast Votes in Squamish

Percentage vote in civic elections at Squamish this year was 49.6.

There were 484 on the voters list and 240 cast ballots.

Percentage in 1957 was 51 with 464 listed and 238 voting.

There were four candidates running for council last year with two to be elected.

This year there were two to be elected out of three.

Garibaldi Market Opens Friday

Garibaldi Market, opposite the Star Theatre on Cleveland Avenue, will officially open at 9 a.m. Friday.

Owned and operated by Earl and Helen Wren, the large modern super-market will have departments for meats and poultry, fruit and vegetables, and groceries. It is one of the largest in the North-Howe Sound area and measures 40 ft. by 75 ft.

Free prizes and outstanding specials will be featured in the opening day ceremonies.

LEGION DONATES \$300 TO LIBRARY

Squamish Branch 115 of the Canadian Legion has donated \$300 to the Centennial Committee toward the Library Project.

This money was raised through the Legion's Grey Cup Raffle, \$200 from last year and \$100 for this year.

Mark Secret Ballot X And No Other Way

Spoiled ballots at the civic election numbered 15 as counted by returning officer, Mrs. Hannah McCormack, December 11.

Most of them were in the park referendum ballot box. The count was nine spoiled, 193 in favor and 39 against.

Four were spoiled in the Hospital Improvement District plebiscite. The final tally here was 162 in favor, 71 against.

MORE CARE FOR PEOPLE

Only two ballots were spoiled in the vote for commissioners. It would seem that when marking the ballot for or against people voters are more conscientious. The count

here was: Antosh 175, Kindree 167, Rennie 109, with two to be elected.

What was required was a legible X indicating yes or no on the hospital and park vote.

For a valid vote for commissioners the voter could choose two or one out of three candidates and again a clearly legible X in the allotted space was all that was needed for the vote to be included in the

MOVING DAY IN SQUAMISH

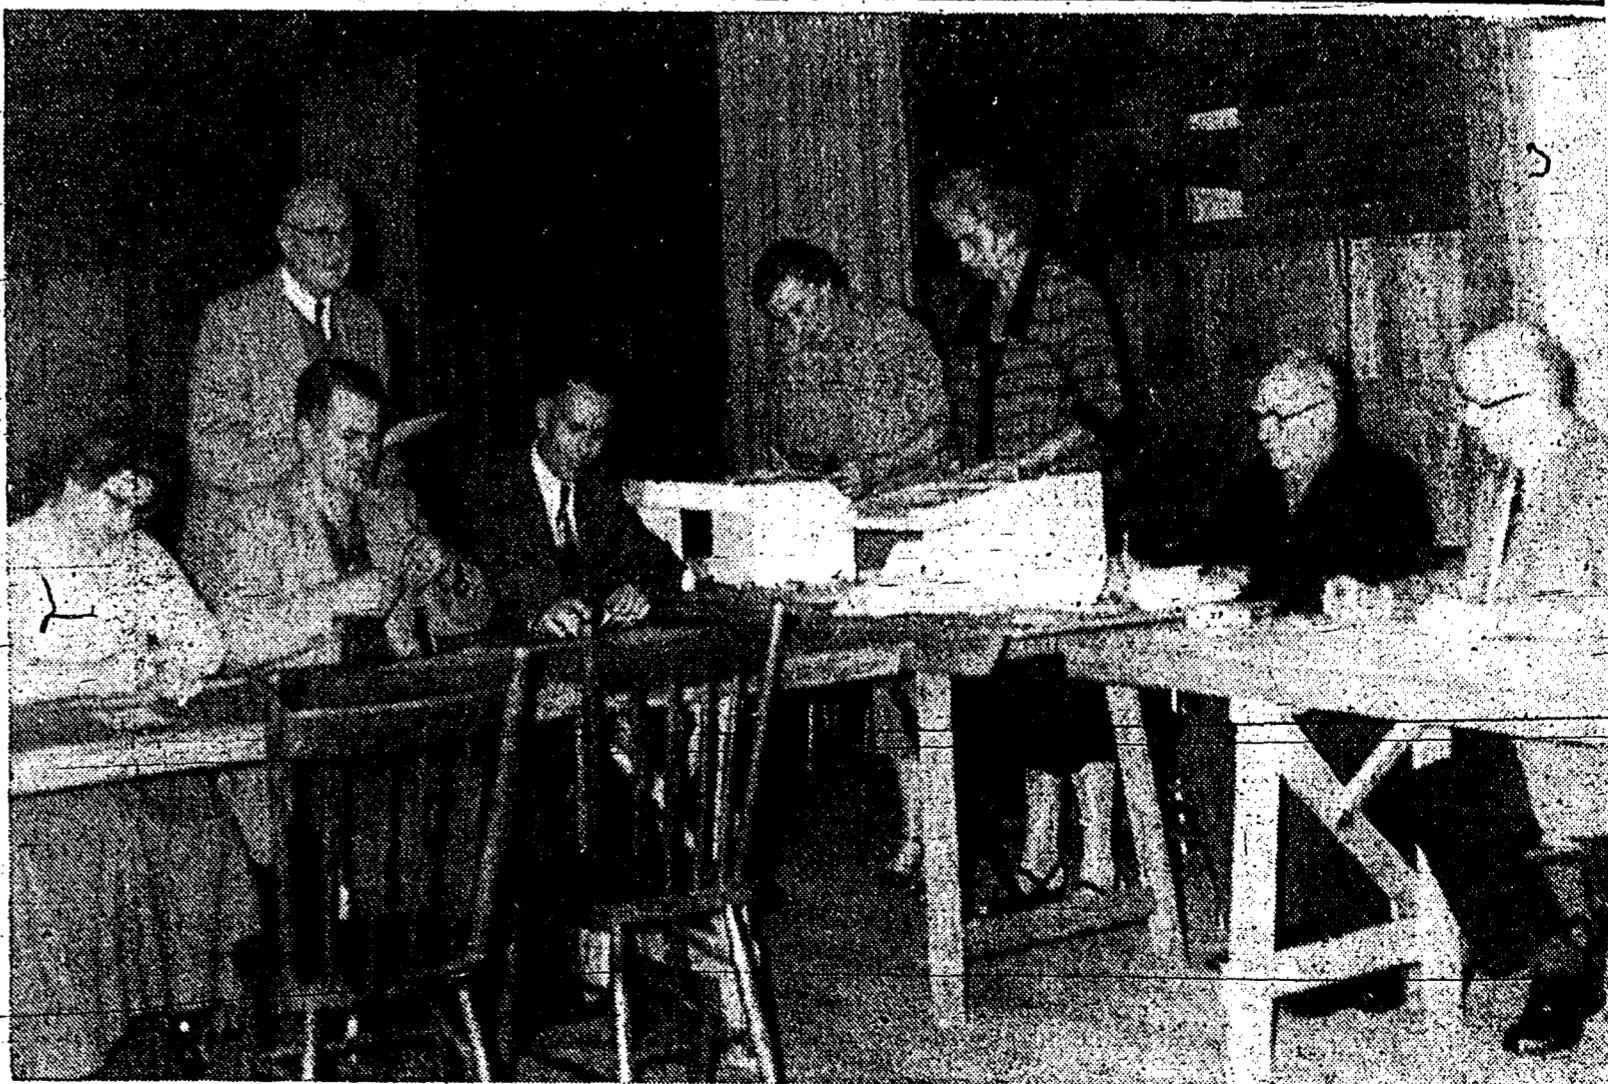

A number of local residents are in the process of moving.

Mr. and Mrs. D. Mercier and family are now occupying the PGE house vacated by Mr. and Mrs. R. Deno. Jacques Moon plans to live in the former home of Mr. and Mrs. Jack Mahood.

Mr. and Mrs. Leonard Marchant and their son are planning to move into the house formerly occupied by Mr. and Mrs. R. Owens.

Mr. and Mrs. Paul Sharpe and their children, formerly of Mission, are living in the house vacated by Mr. and Mrs. H. Shannon.

The former home of Mr. and Mrs. Mercier on River Road is now occupied by Mr. and Mrs. Norman Barr.

VOTING DAY MEANS counting of ballots after the polls close at 8 p.m. The people have made their secret choice and await the decision of the majority. The returning officer unlocks the boxes, calls out the wish of each individual voter as noted on their ballot, and three official counters mark the results on special tally forms. Above scene in polling booth at Squamish shows counters, left to right, Mrs. Rose Tatlow, Bob Lasser and Don Ross; Jack Castle,

standing, hospital plebiscite returning officer; Mrs. Hannah McCormack, returning officer, and Mrs. Eva Gedge, deputy; Stan Clarke and John Jacobson of the village council, also keeping count. Commissioners, Antosh and Kindree were re-elected with 175 and 177 votes respectively; Ray Rennie was defeated by a vote of 109. Percentage of the vote was 49.6 with a vote of 240 out of 484 voters. Both the park referendum and hospital plebiscite were approved.

Was the Accident Unavoidable?

Although Squamish and Pemberton areas are fortunately free from the problem of acute delinquency, there is a growing sense of parental responsibility to the upbringing of young people.

All over North America studies are being made to get to the basic cause of delinquency. At a welfare conference in New York recently, a superintendent of schools described a study of delinquents from privileged as well as under-privileged parts of the city. "In not a single case," he reported, "was there a really sound home and family situation."

At the same gathering an authority on anthropology emphasized that "the family is central to any understanding of juvenile delinquency." And then he pointed to the fact that in city households, with few chores for boys and girls to do, children often lack "a sense of place in the family organization."

Such a situation is not peculiar to cities though. With the push button period enveloping us even in Squamish,

we are being faced with the same problem.

Here is a stickler, which, child authorities say, cannot be given too much attention. But solutions are not easy.

There is a report of a family which, when its three boys were growing out of childhood, lived in a small city "flat" with little, if any, yard . . . no grass to cut, no sidewalks to shovel, no furnace to tend. But the parents ingeniously found tasks for each youngster manifestly meaningful to the household's operation.

Can one family carry out such a program in the midst of many who don't?

That admittedly makes family discipline . . . and self-discipline . . . harder to maintain. But trying is better than surrendering.

And nothing at all would be accomplished unless individual families at least did the best they could. Put down on your shopping list, Mother, a snow shovel for son and an iron for daughter.

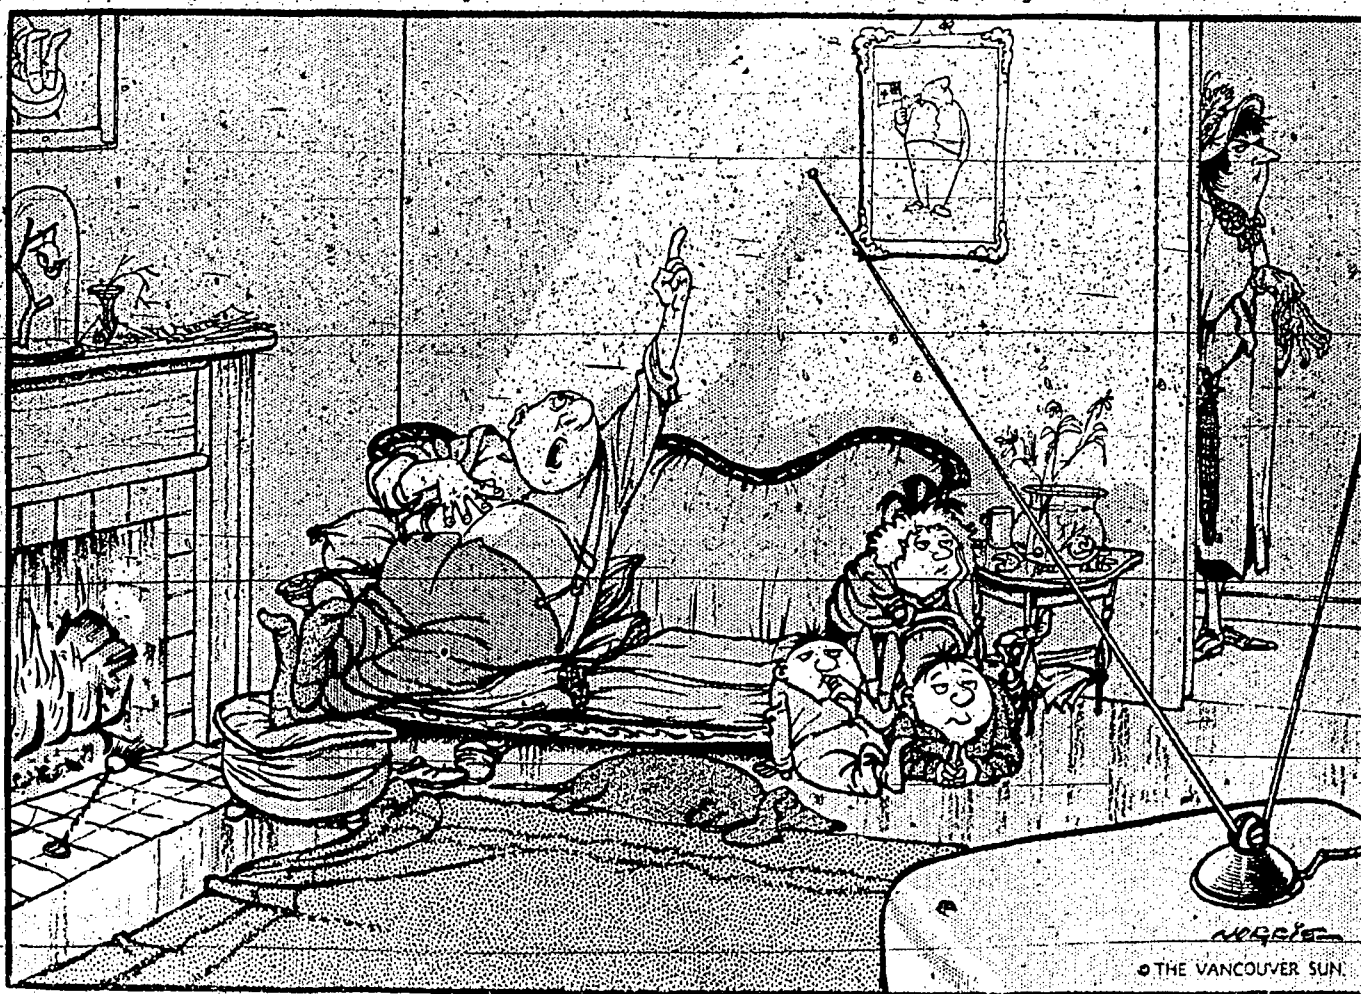

Seasonal Note . . .

Not a leaf in sight from the Lions Gate Bridge to Cheeky and the bare trees of this season depress others with gloom. But nosey folk find the bareness of the trees a help in looking.

In driving or walking around the neighborhood, one may see that mysterious mansion deep among the maples and alder. Indeed, December is the one period that Tin Pan Alley shudders away from, the ground naked, the light dim and brief. But on the other hand just look at what you can see!

A stroll or a visit in the country offers the nosey fellow detailed vistas of others' affairs. The dog kennel, the woodshed, the chicken coop, and the compost heap tactfully screened much of the time either by leaves or snow, now stand forth starkly functional.

Craning his neck the nosey lover of his fellow men appreciates this season as a democratic occasion when much of life and its doings becomes an open house.

... and it is every citizen's solemn duty to use his hard-won rights to choose his representatives, to keep alive and strong his democratic freedom, his heritage of self-government, and I'd be the first one at the polls . . . if it didn't look like rain . . .

2nd PC Candidate Chosen

Berhner Candidate For Lillooet Riding

George Behrner, Squamish, is the new Progressive Conservative candidate for the Lillooet riding in the next provincial election.

Mr. Behrner won the candidature by five votes over the other nominee, John J. Koster of Clinton, at the convention held in Lillooet, December 4.

The vote of 19 delegates holding 17 proxies and officers of the Association was 22 for Mr. Behrner and 17 for Mr. Koster.

The successful candidate is well known in the southern part of the riding, being secretary of the Board of Trade, and participating in other organizations.

He intends to visit the northern areas in the near future to become acquainted and learn of their problems.

There were about 40 members present at the convention representing Clinton, Squamish, Pemberton and Mount Currie, and North Lytton.

Al Hankey, President

THREE CHURCHES FORM BIBLE SOCIETY BRANCH

Interdenominational participation in the British and Foreign Bible Society was established here when a branch was formed December 2.

Al Hankey of the United Church is president, Doug Fenton of the Anglican Church is secretary-treasurer, and from the Pentecostal Church two directors were appointed, Earl Trekofski and Fred Magee, Jr.

The three ministers, Rev. N. J. Penrose, Rev. C. H. Gibbs and Rev. J. L. York, are honorary vice-presidents.

Work of the society is stimulating, producing and distributing the Bible and Scriptures to satisfy the increasing demand around the world.

In Canada alone, according to society literature, Scriptures were circulated in 67 languages in 1957.

Total number of languages in which at least one book of the Bible has been issued is 1,127. Of these this society has been responsible for 852.

There are still 1,500 languages in which not one word of the Scriptures has been printed

and the complete Bible has been published in only 215.

STIMULATE INTEREST

Work of the local group is to stimulate interest to raise funds to help the Bible Society in Canada meet its 1959 pledge of \$750,000.

The Rev. Raymond Tingley, district secretary, was present at the December meeting in the United Church Hall.

An interesting film in color titled "The Leaves of the Tree" illustrating the making of a Bible from the raw materials to the finished product was shown.

Canada now exports more than 12 million Christmas trees. About 99 per cent go to the U.S. but sales are also made in Mexico, Venezuela, Panama, Puerto Rico, Jamaica and Cuba.

Hoo 'S Hoo At Howe Sound High

by Edith Marchant
Barbara DeBeck (Neutron House), Sally Allott (Electron) and Linda Mitchell (Proton) are the three pretty girls running for "Snow Queen" this year.

Each house is campaigning madly for their entry. Huge signs are plastered on every wall of the school, and each student is wearing a badge indicating who he is voting for.

Polls open Monday, and each vote is a nickel. The girl whose house has the most money becomes the Snow Queen of 1958.

Last year the school made \$86, which was given to two needy families. Joanne Tetachuk (nee Feschuk) was Queen.

The Snow Queen will be crowned this coming Friday at the Christmas party. For the party Electron is in charge of decorations, Neutron is in charge of the food and Proton is planning the entertainment.

BASKETBALL

Shirts vs Skins, in Junior Boys, score 17 to 10 for Shirts. High scorers: Patty Greatrex of the Shirts made 8 points; Harvey Halvorson of the Skins made 6 points. Harvey made a couple of terrific long shots.

Please support the teams (as you can see these boys need uniforms).

Chieftes vs Ladies: Score, 28 to 12 for the Chieftes. High scorers: Margaret Marsh, 8 points, Chieftes; Betty Wray, 3 points, Ladies.

The school team played a game that seemed to me almost as graceful as dancing. It was a pleasure to watch them; and the Ladies are improving. They are doing well for the short time they have been playing together.

Now for the most marvelous game—honestly!

Chiefs vs Jets: The teams were just terrific! The score was tied five times before half-time and three times after half-time. The lead was jumping back and forth all the time. What a game!

The final score was 62-60 for the Chiefs.

High scorers: Chiefs, Keith Hendrickson, 18 points and Gerry Kristianson, 14 points; Jets, Gary Hendrickson, 20 points and Dick Munro, 15 points.

Grade 12 girls outsmarted the boys in English 40, but if I tell how, the teachers will

probably outsmart us all.

Grade Twelves are also looking forward to a three-hour B. 91 examination. Mr. Foreman has been waving in front of our noses and won't even give us a peek. I wonder where he's got it hidden.

ANALSO

Congratulations to Mrs. (Pat Alexander) Atkins and Noel Atkins of RCN. Pat was in the present Grade-Twelve class and Noel graduated three years ago from H.S.H.

Mrs. Doreen Wray and her son Billy have left for Kelowna.

Mrs. R. Mason and her daughter, Cindy, recently spent a few days with the former's parents, Mr. and Mrs. C. Tatlow.

EXCELLENT PLAY SHOWN HERE

North-Vancouver Community Players brought "Dial M for Murder" to the Howe Sound High School auditorium, December 6.

The playwright takes the audience into his confidence in this drama of an almost perfect murder.

The suspense is created by the apparent success of the murderer and the strong possibility that he will pin the crime on his wife.

The fine acting of all the players plus good lighting effects were responsible for much of the play's success.

Unfortunately only a handful of people attended the performance. This troupe had hoped to come back in February with their next offering "The Tender Trap".

It is very doubtful if they will be willing to do so in view of the small audience.

It was most heartening that those who did attend spent an enjoyable evening.

JETS AND CHIEFS PLAY CLOSE GAME

Main event of the three game hoop card, December 12, was the hard fought game between the Chiefs and Jets at the High School gymnasium.

Evenly matched all the way, the close score in an indication of the excitement of the game.

at the end of the first quarter the Jets led 15 to 13, at the end of the second it was a tie at 19, at the end of the third the chiefs managed an extra two points for a 62 to 60 win.

The opening junior game saw the Shirts defeat the Skins 17 to 10.

In the contest between the Chiffettes and the Jetetts, the latter drew first blood but soon lost their advantage.

The school girls gained the lead and gradually widened their margin for a final score of 30 to 12.

BILL AND MONA CAREY of Carey's Second Hand Store, Squamish, modelling Carey's Safety belts for pedestrians walking on the streets at night. "Pedestrians are being killed off by the dozens throughout the country," said Mr. Carey, "because car drivers cannot readily see them wearing dark winter clothing at night." With Carey's Safety Belt, armband or yoke, the reflector jewels can be spotted a block away by motorists, he claims. Mr. and Mrs. Carey make-up the safety devices themselves to sell for \$1 and less.

Smith, best man; Lyle McPherson, father of the bride; and Bill McLennan, flower girl. Male falsetto, Al McIntosh, sang: "O promise me . . .", accompanied on the piano by Mrs. Norma Smith.

Chrysanthemums decorated the Community Church where the Rev. Norman Penrose of Squamish, assisted by Orval Strong, performed the ceremony.

Sailors in navy blue from HMCS Beacon Hill, Victoria, supported the groom and added color to a gala evening.

The bride, given in marriage by her father, wore a gown of white brocaded satin, made by herself princess style with a slight train and worn with a long-sleeved bolero jacket of the same material. She wore a fingertip veil held in place by a floral headdress and carried a bridal bouquet of deep red roses. Her only jewelry was a wrist watch, a gift from the groom.

Miss Bonnie Alexander was her sister's bridesmaid. She wore a mauve chiffon dress with fitted bodice and full skirt and carried pink and white carnations.

Mrs. Alexander wore a dusty rose lace dress and corsage of pink carnations.

The groom's mother wore a scarlet dressmaker suit trimmed with black fur.

A reception was held in the Upper Club Room and Mr. E. Mossley was master of ceremonies.

Toast to the bride was proposed by one of her former High School teachers, Stu Foreman.

Mothers of the bridal couple were toasted by R.A. Pellitter. For her going away costume the bride wore an off-white suit with blue accessories.

They will live in Halifax for the next ten months. Out of town guests from Squamish were Mr. and Mrs. Stu Foreman, Mr. and Mrs. Wes Hamilton, Miss Barbara Hamilton and Jim Antosh.

LADIES OF SQUAMISH General Hospital Auxiliary among home cooking and baby gift clothes during their sale, December 11, in the Howe Sound Electric store. Mrs. Rene Bishop, president, seated; Mrs. V. J. Clarke, secretary; and Mrs. Mary Stathers, were dispensing the goodies when the photographer called. Mrs. Paul Russell and Mrs. Annie Moon had just left.

Project for the coming year the ladies say is to buy linens and mattresses for the hospital. They have donated six mattresses in the past year and six more are needed. The hand woven planter baskets shown are made by Bill Chamberlain, who has been blind for some years.

Sunday School Party At Mamquam School 1 Day, 2 More In

Mamquam Sunday School Group under superintendent Mrs. C. Reski, held a successful concert on Friday Dec. 12 at the Mamquam Elementary School.
 The Rev. N. Penrose opened with a short talk about White Wrapped Gifts and how they help the less fortunate at this time.
 After a brief prayer, and the singing of a Carol, the children presented the audience with an enjoyable evening of recitations, songs, instrumental solos and skits.

Mrs. R. Tinney accompanied on the piano when necessary.
 The big moment arrived when Santa Claus burst into the room to present all children with gifts and bags of goodies.
 Thanks go to Mrs. Reski, Miss Dot Brander, and Miss Gerda Hoogenboom for their efforts in producing the concert and all the children who participated.

I Do My SHOPPING IN SQUAMISH

AND HERE IS WHY . . .

LOTS OF TIME FOR SHOPPING

A smart shopper takes his or her time, chooses well, and is not rushed into impulse buying. With ample parking facilities, shopping in Squamish requires no extra effort. You have time for gift wrapping . . . no waiting in line to be served . . . more time to budget purchases. Easier shopping when children are in school.

NO FREIGHT CHARGES

When you shop locally, you have the satisfaction of having items brought right to your door. No trouble in paying cartage, express and fear of breakage. And how much easier to make exchanges if need be.

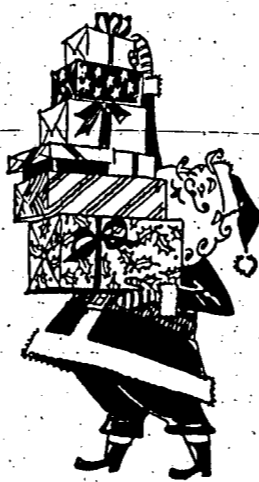

NO CROWDS TO FIGHT

Gone is that exhausted, through-the-wringer feeling when shopping locally. Who wants to spend at least two hours crunched up in a car seat . . . beating the pavement . . . elbowing the shopping-mad customers . . . chopping your way to the sales lady.

YOU NAME IT -- THE MERCHANTS HAVE IT

Have the pleasant and experienced merchant of Squamish personally look after your wishes. If he hasn't got it in stock, he will gladly get it. And yet there is little chance of disappointment with the large variety of stocks on hand.

SAVE MONEY

Who says you save money by shopping outside? Figure it out and you will find figures prove it costs more to buy in the city. Car costs, bus fares, meals, accidents, delays, and higher prices at that . . . all add up to the astounding figure of nearly 40 percent more for out-of-town purchases.

SUPPORT YOUR TOWN

Sure stick out your chest. If you support your local merchants, you are a good citizen . . . a smart taxpayer. Keep your dollars circulating in the valley for as long as possible. It's smart to save money . . . It's smart to buy at home.

MACKENZIES NEW grocery department extension as seen from the butchers viewpoint. Bert Griffin, left, and his assistant, Mrs. Eileen Rennie, on opening day look out upon rows of groceries 40 feet longer than previously, and Mrs. Kathy Hehir, Mrs. Mary George, Mrs. Elsie Marchant, Kathleen Brennan and Mrs. Mae Wuttunee. The big food hamper was won by Mrs. J. Buchanan, the electric kettle by Mrs. S. Hinde, the electric fry pan by Mrs. J. Mercier and the electric clock by Mrs. J. Steer. About fifty \$5 food hampers were given away to customers who happened to be at the checking counters when an alarm clock sounded at intervals.
