SQUAMISH, B.C. - THURSDAY, FEBRUARY 2, 1961

10 Cents Per Copy

Man Loses Leg In Accident

A 36-year-old logger had his leg amputated in St. Paul's Hospital following an accident, January 25, in the Upper Squamish, 20 miles north of the village.

Ivan Haag, employed with Empire Mills, was falling a tree on the steep rocky side of Schoonover Bluff when the butt slipped back and smashed his upper leg.

It was more than an hour before medical aid could reach him and resulting complications necessitated removal of the limb.

Moore Heads Pemberton F.I.

Jay W. Moore was elected president of the Pemberton Farmers' Institute at the annual meeting January 17 in the Upper Valley Hall.

Other officers are: George Mitchell, vice-president; Ed Gilmour, secretary-treasurer. Directors are: Lucien Van Beem, Sam Gilmour and Fred Ostman.

Mrs. Antonelli Heads Legion Auxiliary

Mrs. J. Antonelli is the new president of the Ladies Auxiliary to the Pemberton Legion. She and her officers were installed at the annual meeting in the Legion Hall, January 24.

Conducting installation ceremony was Jack Graham, Legion president.

Other officers are: Mrs. D. P. Miller, 1st vice-president; Mrs. J. Graham, 2nd vice-president; Mrs. G. Walker, secretary; Mrs. H. Campbell, treasurer; Mrs. J. Leach Sr., sergeant-at-arms.

On the executive committee are: Mrs. F. Collister, Mrs. R. Fegan and Mrs. R. Penrose.

SUNSET OVER THE OCEAN of fog that covered the lower mainland for 10 days taken from the Upper Levels looking out over Fisherman's Cove. It was

the same sun that shone brilliantly over fog-free Squamish during that time, bringing the balmy January weather in years to North Howe Sound.

Shower For Bride-elect

Blue candles and daffodils created a spring-like atmosphere at the bridal shower held in the United Church Hall last Thursday in honor of Miss Pat McCready.

Two large blue bells festooned with white streamers hung above the head table at which the guest of honor and the special guests were seated.

Helping Miss McCready to open her many presents were the groom's mother, Mrs. Abe Smith, the groom's sister Miss Pat Smith, Mrs. W. Hamilton, Miss Karen Halvorson and Miss Barbara DeBeck.

Hostesses for the occasion were Barbara DeBeck, Sally Allott and Karen Halvorson while the refreshments were ably supervised by Mrs. J. Hunter, Mrs. D. Hutchinson and Mrs. J. Hehir.

New Church Opens At Pemberton

First service in the new St. David's United Church at Pemberton was held January 22 with the Rev. Torok of Lillooet officiating.

Much finishing work and installation of the organ remains to be done.

Circle Elects New Officers

The Harmony Circle of the Squamish United Church chose new officers for 1961 at the meeting held at the home of Mrs. Art Lavers last week. Those elected were: president, Mrs. H. Trudeau; vice-president, Mrs. A. Lavers; secretary, Mrs. K. Vass; and treasurer, Mrs. B. Hartnell.

Local Men Play

Richmond Offers Ice For Curling

Interest in curling, a sport gaining wide favor with young and old alike, has permeated to North Howe Sound.

Nine men from Squamish and district arranged for a game at Richmond rink, January 22, and went again this past Sunday.

Three had not played before: Gil Rande, Lloyd Sisco and Jack Maveety. The others were Joe Henderson, Stan Clarke, George Nesbitt, Howard Blakeston and Jack Jowsey.

They now are contacting others interested in the game and hope to be able to continue the rest of the season with four teams.

Anyone interested, beginners, experts or otherwise, are invited to a meeting in the Legion Hall, February 3 at 7:30 p.m.

Joe Henderson, a former curler, said they would like to

get 12 teams of four (male or female) players each to form a league next season.

Average cost per player per game at the Richmond rink is \$1.50. This includes stones supplied by the rink and broom rental at 10 cents each.

Refreshments are available at the rink and on Sunday, from 5 to 8 p.m. meals are served at \$1.00 each.

Curling has become so popular on the lower mainland that rinks in Vancouver and environs are crowded from early morning to late at night on weekends, according to Mr. Henderson.

The only reason they got in at Richmond was that the rink is new and recently opened, he said.

To Depth Of Five Feet

Dredging Contract Let For Booming Ground

Radiation Topic At Pemberton

A lecture on radiation hazards was given in the high school auditorium at Pemberton January 16, sponsored by the Ladies Auxiliary to Pemberton Legion.

The speaker Mrs. Nancy Downie of Vancouver, representing the Mothers' Committee on Radiation Hazards, illustrated the talk with three films.

Students of the Elementary high school heard the lecture the following day.

Four Trustees To Be Elected To SGH Board

Annual meeting of Squamish General Hospital Society will be held March 2 at 8:00 p.m. in the Parish Hall.

Four trustees are to be elected to the board. G. S. Clarke is chairman of the nominating committee.

Terms expiring are those of the chairman T. W. Clarke, W. Gedge and R. H. Duff. Election of a fourth trustee is necessary as a result of the resignation of A. E. Dodd last year.

Temporary appointee replacing Mr. Dodd is A. G. McNelli.

Pemberton Hosts PTA Director

Mrs. Violet Jackson, regional director of PTA was guest of honor at a luncheon party given by Pemberton PTA executive, January 20, at the home of vice-president Mrs. John Ronayne.

Present were Mrs. Harold Pipe, president; Mrs. Doris Morozoff, secretary; Mrs. George Mitchell, Mrs. A. J. Ross, Mrs. Percy McCullough and Mrs. C. Ronayne.

A \$89,100 contract has been awarded by the Department of Public Works to the Centennial Dredging of the Mamquam River, Richmond, B.C. for dredging of the Mamquam River Channel at Squamish, B.C.

The firm submitted the lowest bid of four in response to advertising for public tenders. The work, starting this week, is scheduled for completion in 16 weeks.

The channel is to be dredged to a depth of five feet for 2,700 feet by 100 feet wide, about 12 million feet board extending from the Pacific

Great Eastern Railway bridge to near the Government wharf at Squamish. It involves the removal of approximately 165,000 cubic yards of sand and gravel.

The dredging will permit the movement of logs through the channel at all stages of the tide. At present the channel dries up at half tide, and restricts log movements to a few hours per day. This impairs the efficiency of operations and increases production costs for the logging companies, which have a total volume of measure monthly.

PTA Asks For Crosswalk

Crossing Signs At Minaty Bay

Child silhouette signs to warn motorists of school children crossing the highway have been placed at Minaty Bay.

Britannia PTA had requested a crosswalk. The department of highways deem the signs to be a sufficient precaution at this time.

At the January meeting, the opinion that such a film should be viewed by students, as well as parents. Next meeting will observe Founder's Day with Mrs. Jackson of the federation as speaker.

An excellent film "The Thread of Life," on genetics, was shown by Bert Abrams, district commercial manager of B.C. Telephone Company.

Publicise Squamish Now! Board of Trade Policy

An industrial and tourist brochure, a booth at the International Trade Fair in Vancouver and a float in the parade in Vancouver on February 8 sponsored by the Garibaldi Development Association are all projects now undertaken by Squamish Board of Trade.

Financial aid on the brochure and the ITF booth is being sought from the village council and the merchants. Estimate of the cost is \$1,200.

Results of a preliminary canvass have been good but the executive of the board feels that full participation will be necessary.

MRS. VIOLET JACKSON, regional director of PTA with her Pemberton president, (Photo by Mollie Ronayne) hostess Mrs. J. Ronayne, vice-president

Canadian Portraits

Art Show Brings Variety In Oils

Sponsored by the Canada Arts Council and the Squamish Library Board, an exhibition of Canadian Portraits in oil was shown in the library on January 22.

While most of the artists represented were from Vancouver and New Westminster, Toronto's Machel Teitelbaum was included in the group.

The pictures varied from the symbolical figure by Donald Jarvis to Paul Deggan's portrait-like painting of "Mrs. Kathie Feiler" for which anyone's elderly relative could have been the model.

Of particular interest was the dreamy quality, emphasized by pale colours, of Heather Spears Goldendburg's "Ariel." Mrs. Goldendburg is a niece of Mrs. L. Wells who resided in Squamish for a number of years.

The bold yellow shades of Molly Bobak's "Chrysanthemums" overshadowed the dimly seen figure in the background; Mrs. Bobak will be remembered by a number of local residents who benefited from her instructions here last spring.

"Baby With a Broken Parasol" depicted a moment of tragedy in the life of a very small and awkward little girl while the stark black and

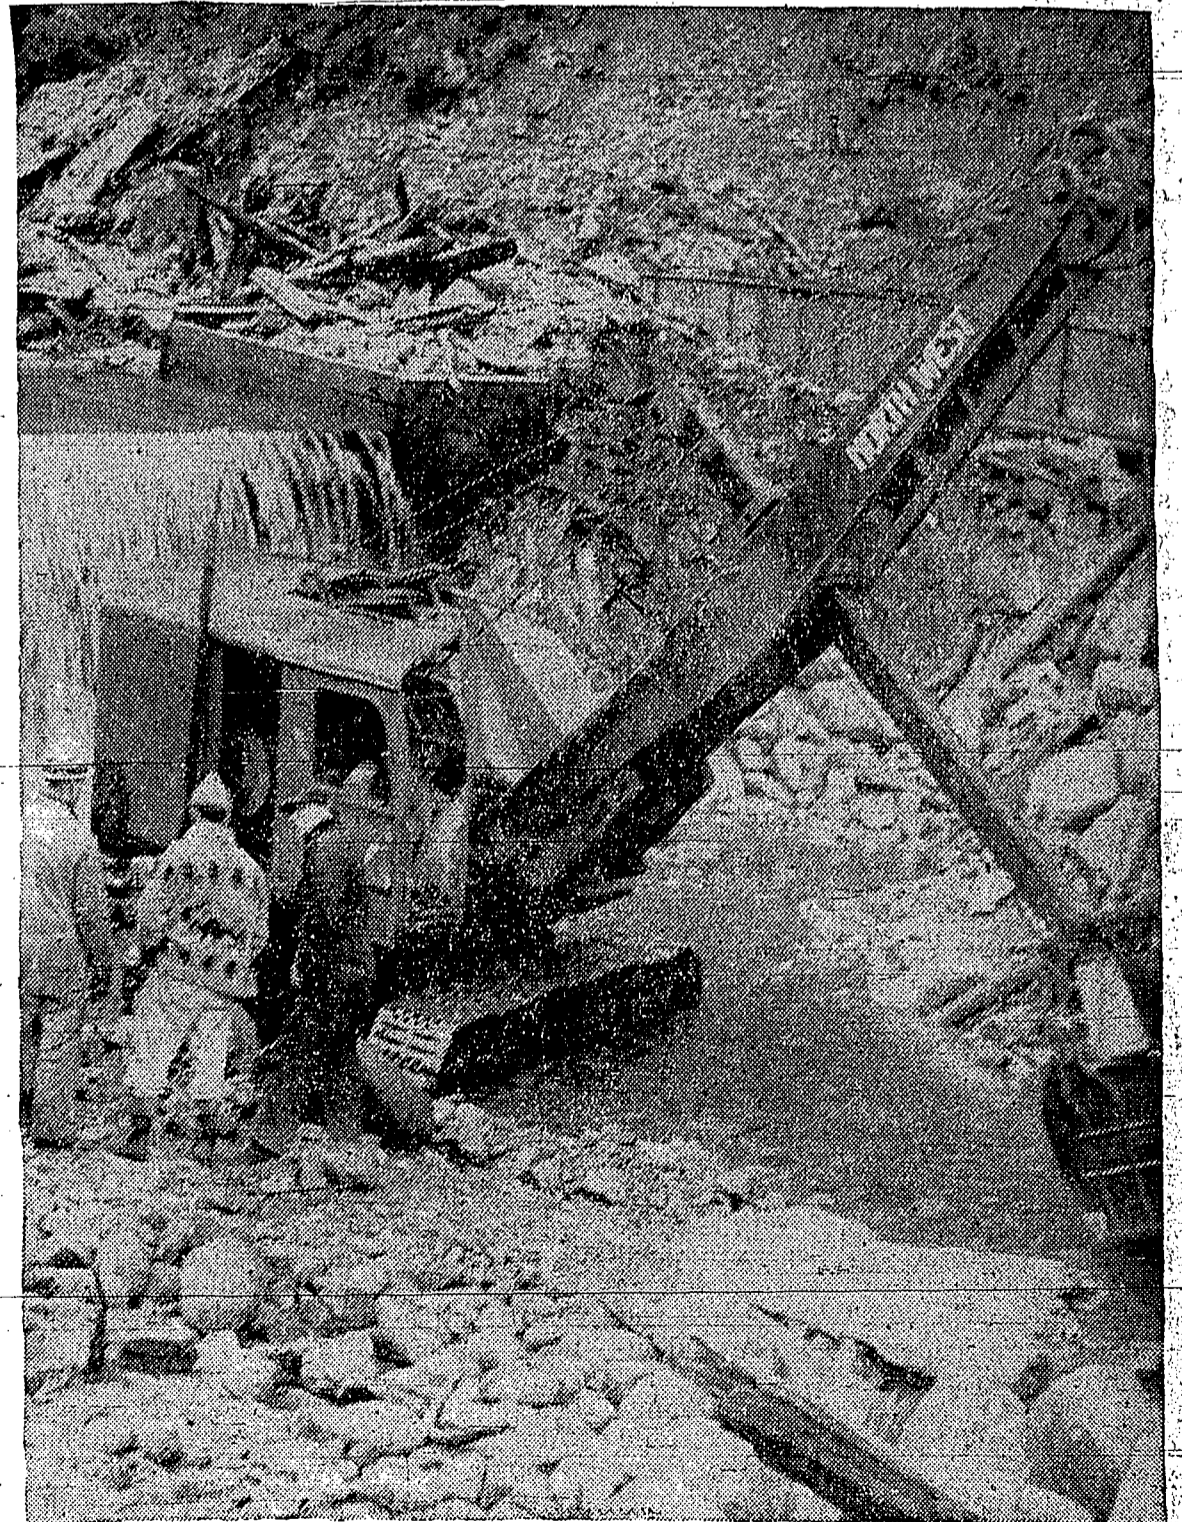

white colouring of Machel Teitelbaum's "Portrait of a Young Girl" serves to heighten the portrayal of terror.

Squamish Library Board was commended for its efforts in bringing these exhibitions to local residents. Another one will probably be held, within about two months.

DOWN IN THE VALLEY

—by John Alexander

A quick solution to the problems of the world would be a tidal wave of truth and love, cleansing humanity of pretence, distrust and hate, washing away the shoals of advantage and revealing those seeking them as puddles in pools of dissension.

DAM ON THE STAWAMUS RIVER, source of the village water supply, being renovated. Contractors George Behrner, right, and Stan Banyard, center, discuss excavation to accommodate spillway. Heavy rains a few weeks ago delayed the project and council granted a 14-day extension. The job is expected to be finished by the end of February.

Attendance Up

Annual Report of Squamish United

—by The Rev. N. J. Penrose

Increased church attendance at both morning and evening services during 1960 was reported at the annual congregational meeting of Squamish United Church on January 26.

Reports of more than 20 groups and committees were presented with the various representatives adding their personal comments and answering questions.

Among the highlights of 1960 were noted:

SECTOR PLAN VISITATION
After considerable preparation, visitors called on some 200 church families, informing them of the work of the church and receiving pledges for financial support in 1961.

The response was a 23 per cent increase in pledges and greatly increased interest on the part of all.

TOM MERCER EVANGELISTIC MISSION
Inspiring and challenging messages from this visiting speaker helped to deepen the spiritual life of the church.

SUNDAY SCHOOL GROWTH
Enrolment increased 17 per cent to reach 165 pupils. Four new classes were added and a new department for senior pupils (12 to 16) was set up with an enrolment of 24 pupils.

CHURCH ATTENDANCE
Increased attendance at both services was reported. This was encouraging, especially in view of the fact that many city churches have found it necessary to cancel evening services.

FINANCES
The treasurer reported a slight increase in offerings in spite of the fact that there was no general canvass for 1960, and in view of widespread unemployment.
The proposed budget for 1961 was approved, calling for a minimum increase of at least 20 per cent.

Looking to the future, a seven-member survey committee was appointed to begin

serious planning for a church building program that will first of all make more adequate provision for the needs of the growing Sunday School.

SOCIAL NOTES

by Freda Munro

Mr. and Mrs. R. Bliss have moved into the house on Britannia Avenue formerly occupied by Mr. and Mrs. A. McLean.

Mrs. Doris Peyton of Swan River, Manitoba, has been visiting her brother-in-law and sister, Mr. and Mrs. C. Hartnell.

Mr. and Mrs. B. H. Brown and their family have moved into their new home in Northridge Heights.

Mr. and Mrs. C. Tatlow spent a few days in Victoria with their son-in-law and daughter, Mr. and Mrs. F. Regimbel.

Mr. and Mrs. Ross Barr are away on a southern holiday. They will visit in Arizona and hope to go on to New Orleans, returning home by way of Salt Lake City.

Recent visitors at the homes of Mr. and Mrs. Andy Sullivan and their family included Mr. and Mrs. J. Rooney of Newton, Mr. and Mrs. Sandy Boychuck, Mrs. Lena Romachuck, Steve Kolewasi, all of Edmonton, and Mrs. George Kuzyk of White Rock.

HELICOPTER or motor vehicle, the preparations were the same—those clear, frosty mornings in Squamish last week; warm the motor and clear the windshield. Here an Okanagan helicopter pilot prepares for flight to Whistler Mountain, proposed site of the 1968 Winter Olympics. Periodic and progressive surveys are being made in the area by the Garibaldi Development Committee.

Dates to Remember

- February 9**
Britannia Women's Auxiliary social meeting at home of president Mrs. Don Pringle.
- February 4**
Bake sale and cake raffle by Ladies Auxiliary to Squamish General Hospital in Howe Sound Electric store at 2 p.m.
- February 8**

WANT TO KNOW more about your own country?

Donald Stainsby, in his Book Review of **WORLD BOOK ENCYCLOPEDIA** For The Vancouver Sun, says:

"One of the truly important features of this new encyclopedia is the attention it pays to Canada. Here is a rare bird indeed—a general encyclopedia which a Canadian can turn to and find specifically Canadian information."

This is not limited to just the magnificent main section dealing with Canada as a nation. But there are also lengthy and complete articles on each province and territory, and major pieces on Canadian literature and similar topics in their proper places.

But more important biographies of Canadians in all walks of life pop up in their rightful place in the body of the book. And what might be called the "Canadian angle" is given to general articles, such as timber and furs. So that this encyclopedia provides as much Canadian information as we're likely to get outside the Canada Year Book or the strictly confined Encyclopedia "Canadiana."

KITCHEN KAPERS

—by PEG TINNEY

The old saying, "Seeing is believing," would never apply to this recipe submitted by Mrs. A. Constantine of Brackendale.

Even after tasting this "Apple Pie" you just won't believe it.

But I can assure you you're in for a big surprise if you'll put all doubts behind you and give it a try.

MOCK APPLE PIE

- 1½ cups white sugar
- 1½ cups water
- 1½ teaspoons cream tartar
- 12 soda crackers

Boil sugar and cream of tartar in water. Cool. Break soda crackers in quarters and place in unbaked pie shell. Sprinkle with cinnamon and dot with butter and pour liquid mixture over all. Top with crust and bake till brown.

Legion LA Offers Cookbook For \$1.

Ladies Auxiliary to the Squamish Legion plan an afternoon tea and bake sale in the Legion Hall, February 8 at 2:30 p.m.

An added attraction they feel will be their offer of cookbooks for \$1.00 each compiled from their favorite recipes.

This Is Directed To Certain People (Or Person) of Britannia Beach
I, Derrick Jenkins, seem to be the victim of some very foul gossip in Britannia. If I can't park my car in front of my friend's house, and go in for a cup of tea, then leave without people spreading filthy stories about me, then I feel there needs to be some "mouth-washing." I am a respectable working man, and if anyone wants to prove why I'm there, ask me before jumping to their own wrong, vulgar conclusions. Some people are still decent and wish to remain so.
Sincerely,
Derrick Jenkins.
