SQUAMISH, B.C. — THURSDAY, APRIL 14, 1966

10 cents per copy

HOSPITAL BOARD NAMES COMMITTEES

Five committees have been named by the Squamish Hospital Board to deal with various aspects of the board's work.

These are as follows: Executive, Buildings and Grounds, Public Relations, Finance and Personnel and Joint Advisory Committees.

Members on these committees are: Executive, chairman, F. W. Allott, G. Behrner, D. Debeck and J. Moore. Buildings and Grounds, chairman, G. Behrner; I. Boscaroli, and R. Farquharson. Finance and Personnel: chairman, E. Shaw; J. Moore and R. Lasser. Public Relations: chairman, A. Reynolds; E. Klymchuk and D. Woodcock. Joint Advisory: chairman, F. W. Allott; A. Reynolds, J. Moore and E. Shaw.

Road contract still uncertain

No definite word has been received regarding the reconstruction and relocation of the eight mile stretch of highway between Squamish and Britannia Beach.

Tenders for this stretch were called last fall and Emil Anderson Construction Co. Ltd., was the lowest bidder. However, to date neither the Chamber of

Commerce nor the municipal council have been able to find out if any firm has been given the contract for the work.

At the time tenders were called last fall it was estimated the reconstruction would not be completed until October of 1967.

An item appearing in the March newsletter issued by the Garibaldi Olympic Development Association states "The winding section of highway between Britannia and Squamish will be straightened and widened and this work is expected to be completed by mid-summer. Our thanks to the Honorable P. A. Gagliardi and his department for the splendid co-operation."

Chamber members would like to know where the information was obtained and if it would be possible to find out when the work will begin.

Columbia Bitulithic has been given the contract for paving the 28 miles of gravel road to Alta Lake and is planning to start as soon as the weather permits. Equipment and materials have been stockpiled along the highway in preparation for an early start.

Blacktopping is expected to be completed by this fall.

Cleanup project

Archie Finter and his son, Don, with the co-operation of Walter Goss, loaded a trailer with old cars at John Visona Motors last week to be shipped away for scrap.

This was done as part of the Lions cleanup campaign whereby they attempt to remove old vehicles and machinery lying around the town to improve the appearance of the area.

Mr. Finter said that the amount realized from the sale of these scrap vehicles barely justifies the work involved and the cost of shipping them to town.

March rainfall above average

March rainfall was well above average this year with 8.99 inches recorded. Average for the month is 6.63 inches. The snow which fell during the month amounted to 7.25 inches, some 3 inches more than average bringing the total snowfall in 1966 to 75.15 inches, only exceeded by 1951's 81 inches.

Total rainfall this year has amounted to 17.55, well below the average rain for the first three months of the year.

The highest temperature was recorded on March 25th when it hit 65 degrees, just about average for this time of year and the low of 24 degrees, recorded on March 2nd, is also two degrees higher than average for March.

March, which came in like a lion, went out like a wolly lamb, with a bright sunny day to mark the end of the month. During one warm rainy spell rivers in the valley rose and it was reported snow at the higher levels sank several feet under the warm downpour which fell at elevations up to 8,000 feet.

Long range forecasts indicated that April, which started with a heavy rain on April Fool's day, would be warmer and sunnier than usual.

Florence Nightingale tea

The Ladies Auxiliary to Squamish General Hospital are planning to hold their annual Florence Nightingale tea in the Parish Hall on Thursday, May 12th at 2 p.m.

In addition to the tea there will be a bake sale, novelty sale, display of hospital sewing made by the members and the hospital tray will be on display as well.

Changing face of Squamish seen in surge of new business buildings

SUCCESSFUL CANDIDATES in this year's first aid classes who received their certificates at a ceremony in the high school recently are, left to right: H. H. Buffrey, G. W. Anderson, A. Fraboni,

W. Regier, W. V. Watson, E. F. Casey, R. DesJardins, D. Thom, W. Kozminuk, Eric Lamb, W. Krzanowski, R. McClure, K. Ramus, T. Sawtell, L. Moule.

Many new shops in past 3 years

New stores opening in the past week have emphasized the changing face of Squamish. Visitors coming here for the first time will not notice it but those who have returned after an absence of a year or two will be amazed at the changes in the business district.

From an assortment of old buildings, with the odd new one here and there, Squamish has taken on the look of a smart, thriving community, with at least a dozen new or fairly new shops in the key downtown area.

Latest addition of course is the new Mackenzie Shopping Plaza, with the smart new IGA Food Liner, Yarwood Drugs and the new hardware soon to be opened as well as the renovated Mackenzies drygoods shop. These buildings will face the parking lot, soon to be completed and blacktopped which will alleviate the parking problem in the business district.

But this is just the newest project. The Kennedy Building which houses the new Fred'n May's Bakery and Stewart's Drugs, which opened last Saturday, is another asset to the business area, making the shopping district more attractive to the residents of the Squamish valley and the people who come from Britannia and Woodfibre to do their buying.

The new post office quarters, spacious and bright in the Drenka Building where Garibaldi Glass, Robinson's and Today's Floors are located, is still being completed with offices now being readied on the second floor.

BUSINESS AREA IS GROWING

Increasing business and the growth of the community are providing the impetus for more stores and business premises in Squamish and the next few years may see an even more surprising growth which may well outstrip the progress in the past few years.

The look of the main street of Squamish, Cleveland Ave., has almost completely changed in the past three or four years and it is anyone's guess what the next three or four may bring.

A new municipal complex with school board and municipal buildings and the civic centre may rise in the park area north of the present business section. Businesses may move to Second or even Third Ave., in the lower area of town where some new lots have been opened up by the construction of a street.

The constant change makes the future development of the community anyone's guess. One is almost afraid to make a prediction, it would be sure to be too conservative. Only the next few years will be able to show what will happen in the former village area, or even the outlying ones.

NEW BUILDINGS RISE EACH YEAR

Last year saw two new buildings and additions to others with the B.C. Cafe opening at the corner of Cleveland and Pemberton Road and the new Times Building on Cleveland. The Behrner Block was remodelled to provide larger quarters for the Five to a Dollar store while the addition was built for Brock's Sporting Goods.

Extensive remodelling and additions were done to the Squamish Hotel to provide more facilities and added accommodation while Halter's Flower Shop on Second Ave., was also a new addition to the business area.

Projected plans for the future include some buildings on the fourth corner of the shopping square where the Clarke home used to stand. Reports indicate the new building for the Royal Bank will occupy this space as well as several small specialty shops. Another proposal is a gas station for the corner of Cleveland and Victoria but this is still in the formative stage.

Not a usual situation

With all the moving around and opening of new premises in the shopping district of Squamish some queer ideas have been given to many of the tourists who visited the valley over the Easter weekend.

Yarwood Drugs was in the process of moving into new quarters in the Mackenzie Shopping Plaza and the counters and fixtures had been taken from the former building. Stock was displayed on tables and one woman said "it looks like the Army and Navy". Visitors had made remarks concerning the store and seemed rather startled to see it so in self defense Bernice Brown had to put up a sign saying this was unusual and they were trying to carry on while the changeover was being completed.

The big move was set for Sunday and by Monday they hoped to have the new premises ready for business.

Rescues becoming a habit

Helicopters are much in demand for rescue work; the latest of interest locally involved Lt. Dan Munro RCN of Halifax, elder son of Mrs. G. S. Clarke.

Two naval helicopters were sent to aid fourteen men and a dog after they had abandoned their burning trawler in the Atlantic one hundred miles east of Halifax, and took refuge in two dories.

A navy tracker aircraft, while on routine patrol, dropped a life-raft with a roof and enclosed sides.

The men and the dog, were later picked up by two rescuing helicopter pilots. According to Lt. Munro the men were suffering from the cold and damp but were otherwise in good shape.

While stationed at Weymouth, England, during the severe winter of 63-64 Lt. Munro helped to rescue travellers who were snowbound when roads became impassable.

Early in 1961 a fisherman stranded on the rocky, storm-lashed shores of Klashkish Inlet was also rescued by Lt. Munro.

To Prince Rupert

Local Ranger honored at farewell stag party

Jack Carradice, the local Forest Ranger, who is leaving this week for a new post at Prince Rupert after spending four and one half years in Squamish, was the guest of honor at a stag dinner at Paradise Valley Resort on Wednesday, April 6th.

Members of the local logging firms and others who had been affiliated with Mr. Carradice gathered at the resort to say

farewell to the man who had headed the local forestry office. He was presented with twin travel bags as a memento to remind him of the friends he had made in Squamish.

N. R. Barr was master of ceremonies and G. E. (Ted) Lloyd made the presentation on behalf of the assembled guests.

In making the presentation, Mr. Lloyd said, in jest of course,

"like logging superintendents, your most popular day is the day your transfer is confirmed."

He said the transfer to a major Ranger station with many more responsibilities comes as no surprise to those present as probably no other Ranger in the province got as much "good advice" on how to do his job and there was no telling where he would be if he had taken this advice.

On the serious aspect, it was pointed out that not only did he do an outstanding job in his capacity as a Ranger, but was a credit to the community as a whole, due to his active participation in its many affairs and would certainly be missed.

P. J. Brennan spoke briefly but amusingly and W. V. Manson said Mr. Carradice was moving to a "Utopia where you could not carry home one day's trout catch and that cabbages were so large you could only get three in a wheelbarrow."

He was then put on the spot to assure those present that any visitor to his new area would be invited to partake of the trout and cabbage.

During his stay in Squamish, Mr. Carradice has been a prominent member of the local Rod and Gun Club and he organized the pistol section which has been forging ahead rapidly. He also served on the Hospital Board and took an active interest in the community.

Mrs. Carradice and the children, Missy and Clay, will join him as soon as school is finished in June.

Centennial group sponsors events

The Centennial Caravan, which will be on the black-topping at the rear of the high school tomorrow afternoon and evening, from 1 to 10 p.m.; is the first centennial event to be sponsored by the Squamish Centennial Committee.

On the following evening the B.C. Folk Society will present a concert in the high school auditorium featuring nine different groups who will present songs and dances of various countries and nationalities.

The caravan will feature B.C. from the time it was first discovered to the prophetic glimpse of the future. The exhibits are contained in two trailers. Admission to the caravan is free.

The concert, which will include groups from the British Isles, "WISE" comprised of Wales, Ireland, Scotland and England; are a choral group;

there are Scottish country dancers, a Philippine group Danish, French Canadian, Ukrainian, Swiss Alpine, Estonian, Donkhor, North American Indian and Japanese.

The concert starts at 8:30 p.m. There will be an advance sale of tickets. Admission is \$1.00 for adults, 50 cents for students and 25 cents for children.

The centennial committee is also sponsoring the sale of medallions which can be obtained from several sources in the valley. The Boy Scouts who participated in the centennial bonfire will each be presented with medallions to commemorate the event.

Two vacancies on the committee, caused by the departure of C. Howey and the imminent departure of Dave Latimer, will have to be filled.

Special matinee

The Star Theatre will hold a special matinee for school students on Wednesday, April 20th when "Macbeth" will be shown at the theatre.

Students who have studied the play, one of Shakespeare's most famous ones, will find the film of great interest and it will help them to understand and appreciate the meaning of the play.

Students will be coming from Pemberton as well as the Squamish area to see the film.

HELPERS NEEDED AT SWIMMING POOL

The Swimming Pool program is now in the process of being formed. We are in need of lady volunteers to help with the elementary school program. This would involve about five sessions of one-hour lessons, with an exciting windup of an inter-school meet.

You must have a good knowledge of swimming. You will be working with an experienced volunteer and you will be briefed on basic requirements. Lessons begin the first week of May.

Most of the volunteers have found their work a stimulating and rewarding experience. If you feel you would like to be of assistance please phone Mrs. K. Baldry for more information. 892-3904.

TYPICAL of the groups which will be represented at the B.C. Folk Society Concert in the High School Auditorium on Friday, April 16th, are these members of the Ukrainian and Ger-

man groups who have taken part in festivals throughout B.C. In all, nine different groups will take part in the concert which will feature songs and dances of various lands.

JOHN HILL, Exalted Ruler, Squamish BPOE is presenting a cheque for one thousand dollars to District Deputy W. Boscaroli for the Purple Heart Fund.

Spring styles displayed at UCW fashion show

The new spring look with brilliant colors, the ever-popular navy, with white accents, the emphasis on easy care clothes and the increasing use of knits and snells were the highlights of the Jean Neil Unit of the UCW's spring fashion show on April 1st.

The high school auditorium was the scene of the show with the stage decorated with a beautiful sea and sand scene painted by Mack Armstrong offering a fitting background for the dawn to dusk clothes which were displayed by the fifteen models, including five youngsters.

Mrs. N. Barr and Mrs. H. M. Wingfield were commentators

for the fashion show and their sometimes impromptu remarks like Mrs. Barr's comment when she viewed one negligee and said it could be described in one word "mine" added to the interest.

Children always appeal to the audience and Tora Halvorson and Guy Boscarol stole the show with their naturalness. Guy, who substituted for Mark Forsythe who became ill at the last minute, really seemed to enjoy the evening.

Tora's pink and white cardy two piece seersucker suit was the ideal dress for the crisp young miss. Best of all the box pleated skirt had shoulder

straps, so useful for the youngsters.

SAILOR LOOK FOR SPRING

Tora teamed up with Varick Wagner to display the sailor look for spring with a navy and white linen dress, trimmed with white braid and featuring a half belt at the back. Varick's dress featured three accordion pleats at the side of the white skirt which was trimmed with navy braid. The navy, demifitted top featured a red false belt.

The Winnie the Pooh influence was shown in the navy and white striped dress worn by Elva Rae. It featured a Peter

Pan collar and patch pockets trimmed with white bias tape. The deep hem would make it attractive to mothers of growing youngsters.

George Walton modelled the "Beagle Look" and smart it certainly was. The black wool jacket topped dark grey mix slacks and a white turtle neck T-shirt completed the outfit which was topped with a Beagle cap of simulated crushed leather with braid trim.

Easy care materials were featured in the "boiled wool" blue skirt with a white blouse snocked in blue to match.

Sleepwear was modelled by Guy and Tora with Margaret McLeod. Red and white seersucker fashioned his three piece pajama outfit while Tora's was in blue and white printed seersucker trimmed with lace and blue satin ribbon. Margaret wore the Granny look in her three piece black with a soft blue floral pattern. The material looks like silk, acts like cotton and washes like a dream.

TEEN FASHIONS DISPLAYED

A double knit red blazer topped a white box pleated arnel skirt, worn by Margaret McLeod for a most appealing outfit for the young set. With

Marlene Newell and Marilyn Smith, she also modelled some attractive sportswear, featuring brilliant colored slacks and easy care poor boy and shell toppers.

Navy blue linen was featured in two dresses worn by Marlene and Marilyn. Marlene's empire waistline shift dress featured velvet accents while Marilyn's skimmer with an A-line swing was trimmed in white with short sleeves and button trim.

Patric dresses in brilliant colors were one of the fashions which foretold the summer season. Marion Olsen's pink, green and gold floral long shift with slit side was like a garden while the brilliant citrus shades so popular this year were blended in the polished cotton, with side slit and ruffled neck trim worn by Terry Aldridge.

Arnel sharkskin in glowing white with four inverted pleats fashioned the stunning A-line dress worn by Terry Aldridge. The round neck at the front became a V at the back.

POPULAR

Blushing pink with a white floral design and a braided detail at the neckline was worn by Marion Olsen. The afternoon

dress had a fitted waist falling into soft gathers.

Pink linen in a two piece dress, with a spray of silver and white flowers on the bodice was Norma Kindree's choice for an after five dress. Pinks and mauves were blended in the striking Paisley print which she also modelled. Inverted pleats at the hip line add a slimming effect.

A two-piece white lace dress with satin ribbon overlay was worn by Candy Rustad while Bev Croft's glamorous chiffon and lace dress with a bow in the front was a sensational late day style. Another dress worn by Mrs. Croft, in the ever-popular pink and white accents. White lace on the rolled neck collar and the sleeveless bodice topped the slim skirted dress while the bracelet sleeved jacket was double breasted with snap closures.

Powder blue orlon double knit in a casual dress was worn by Teresita Estrada while Judy Spring modelled the latest in spring coats, turquoise wool with slashed pockets and a notched collar. In double breasted style, it was trimmed with brass buttons and stitching.

Of course the bride always closes a fashion show and Carol

Raffaele in an empire waisted, peau de sole with lace bodice and full elbow length sleeves was a stunning bride. The slim skirt with a lace border was slit at the back for ease in walking. A detachable train flowed from a bow at the back while her shoulder length veil misted from a tulle rose and pearls.

Her sister, Beverley Fenton, as bridesmaid, wore a turquoise empire waist dress with a white lace bodice. A turquoise bow with a wisp of tulle and white gloves and shoes completed her ensemble.

DANCE NUMBER

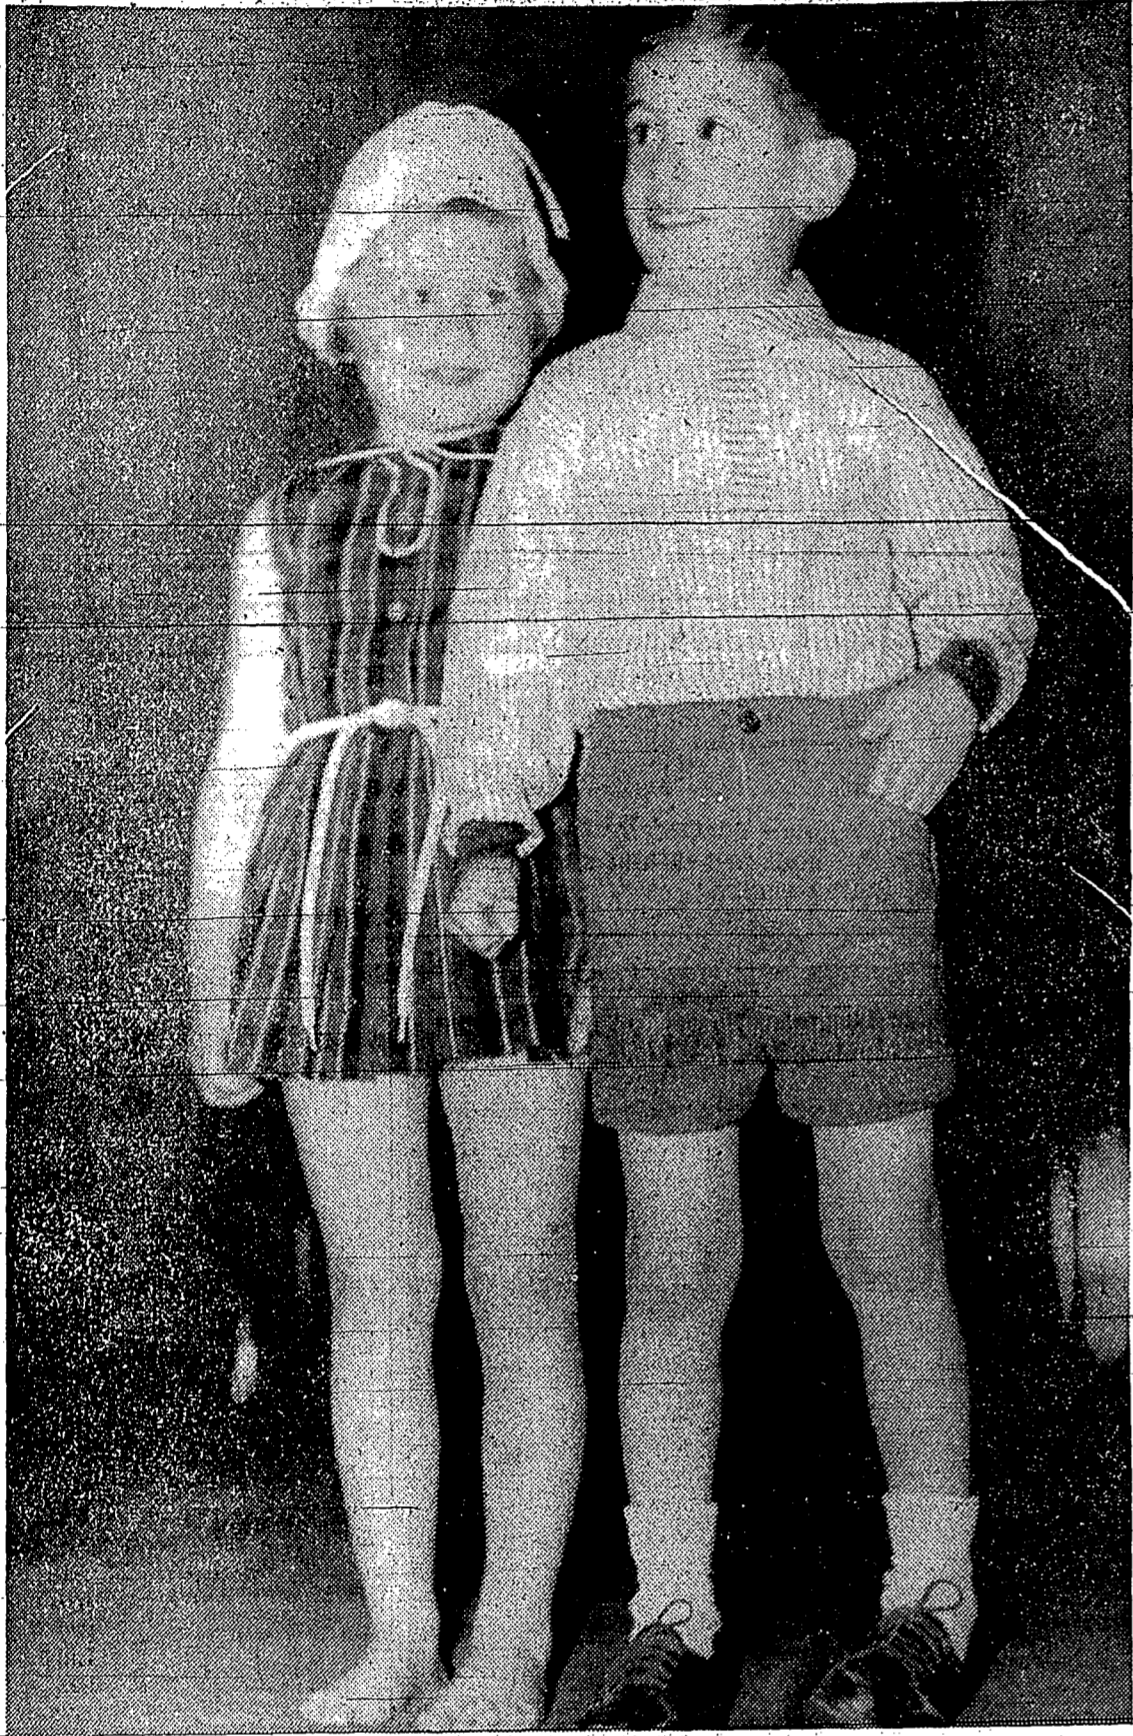

A highlight of the evening was the "Dance of the Glasses", a Philippine dance which is always performed at weddings, danced by Teresita Estrada in traditional costume. Miss. Es-

trada, balancing glasses with liquid in them on each hand and on her head, went through an intricate series of movements, sinking almost prone and rising again, without spilling a drop.

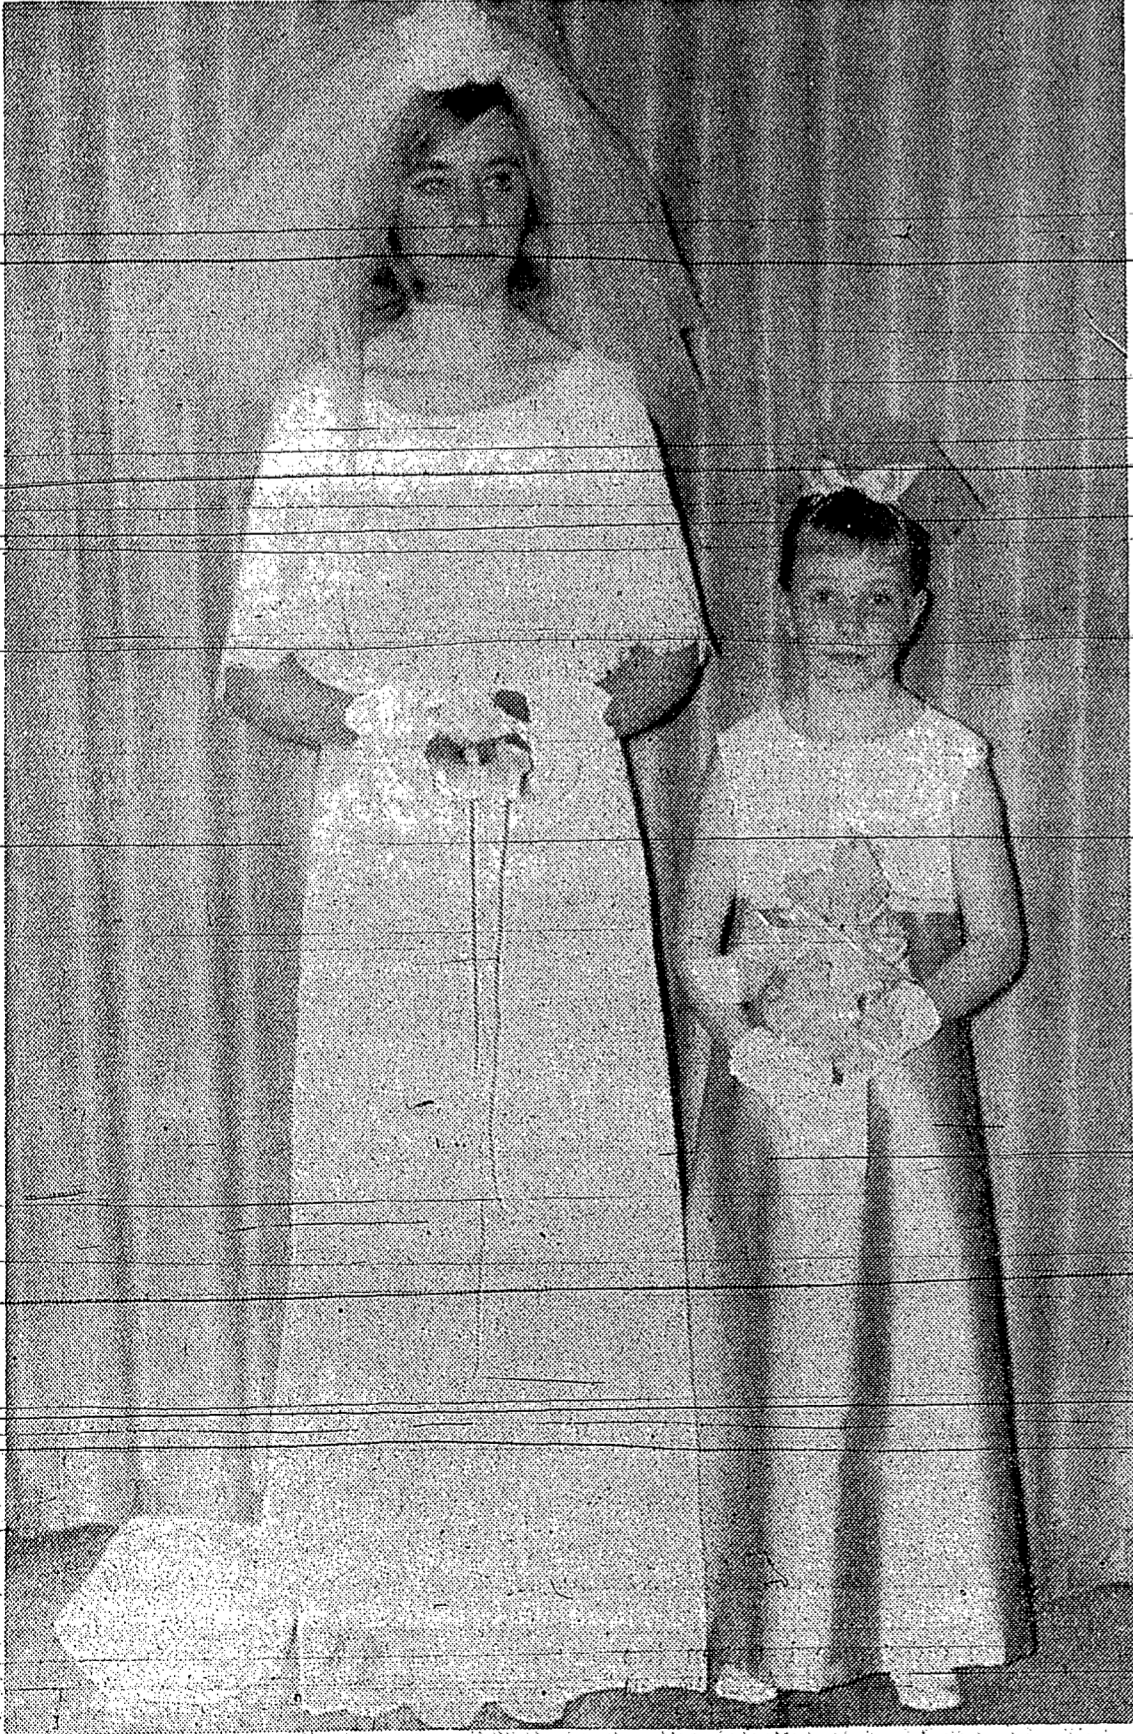

Music formed a background for the models and their clothing and Mrs. H. Gebhart and Norman MacDonald selected music suitable for the fashions displayed.

Clothes worn by the models were supplied by Olga's Style Shop and Toys to Teens while the make-up was supplied by Yarwood Drugs and applied by Mrs. G. Kennedy.

Flowers came from Halter's Garden Shop and To-Day's Floors supplied the carpet for the stage and runway. Door prizes were won by Greg Burt and Gail Kirkwood.

TORA HALVORSON in a pretty maracas skirt and Guy Boscarol modelling play clothes at the UCW Fashion Show last week. Guy and Tora stole the show with their obvious enjoyment of the event. Fashions came from Tots to Teens.

MRS. A. RAFFAELE wore her wedding gown while her small sister Beverley modelled the one she wore at her sister's wedding in the bridal scene which climaxed the fashion show.

IGA Foodliner opens Friday in Mackenzies Shopping Plaza

The main unit of the new shopping centre in the heart of downtown Squamish, the new IGA foodliner, will open on Friday morning at 10:00 a.m. The new food market, the heart of the quarter million dollar shopping plaza, will be ready to serve the people who for many years dealt at Mackenzies Ltd., which has been demolished to make way for the modern shopping area.

The new complex houses the food liner, as up-to-date as tomorrow, a drug store, hardware shop and drygoods store. Alterations are being made to the latter unit, to fit it into the overall complex. The large parking lot, when completed, will provide adequate parking for customers patronizing the plaza.

The new parking area will fill a real need. Already parking in the downtown area is limited and with the development of the district, need for parking for the business area's ever-increasing clientele is becoming more important each day.

The store will bring the widest variety of food services to the fast-growing town at a head of Howe Sound and certainly attract many shoppers from the surrounding communities of Woodfire and Tanna as well as from the north.

THE NEW IGA Foodliner in Mackenzies Shopping Plaza, the latest addition to the business district in Squamish, which opens Friday morning.

This new food store will bring the choicest meats, freshest fruits and produce and a wide assortment of groceries, bakery and other food items

as well as the other goods carried by the modern supermarkets to the housewives and shoppers of this north Howe Sound centre.

The meat section with its modern equipment and capable butcher, the bakery section, the attractive displays of fresh fruits and vegetables, the wide assortment of grocery and food items and the capable, cheerful staff with the latest equipment for calculating the value of your purchases, are only a few of the facilities offered to customers of this new market.
The IGA foodliner will have everything customers were accustomed to finding in any other store, plus many additional lines for their selection. There will be a much wider choice of food merchandise from staples to specialties, with many additional items required in the day to day housekeeping in a modern home.
The large floor area with wide aisles means freer movement for customers who are moving through the store. Increased space in the meat department and the frozen food storage cabinets will provide a wider choice of meats and frozen items from ice cream and other desserts to vegetables and complete meals in a dish.
There will be nothing which is available in food stores in the largest cities or towns in the province which will not be available for customers shopping at the new Squamish IGA.
Familiar faces will be on hand to greet the shoppers. Paul Mackenzie, acting manager, has lived here for many years; Dave Watt will be in the butcher shop assisted by Mrs. Eileen Rennie; Kathy Sorban, Mrs. Muriel St. James and Mrs. Lou Skerrat will be cashiers with Loretta Birrs as head cashier; Mrs. Fern Green will be in the bakery while newcomers are Frank Rayner, to produce manager; and Bob White and Don Bedwell, clerks.

FOR SALE BY PUBLIC TENDER

Where is and as is; the Cadet Drill Hall, formerly the old P.G.E. Railway Freight Shed, located to the North and rear of the Canadian Collieries Offices, Cleveland Avenue, Squamish, B.C. Bids to be in the hands of the Secretary, Branch No. 115, The Royal Canadian Legion, Box 127, Squamish, B.C., not later than 19 May 1966.
TERMS: (1) Cash. (2) Subject to the removal of the building from the present site within 30 (thirty) days of completion of sale, the ground to be left in a safe and sanitary condition, or (3) may be left on present site subject to the approval by the P.G.E. Railway Lands and Rights of Way Department, to lease the site to the successful bidder.
The net proceeds of this sale will be set aside by Branch No. 115, The Royal Canadian Legion, for donation to a Community project. The highest or any bid is not necessarily accepted.
Dated March 13th, 1966.
Bruce Johnston Hargrave

Legal Notice

LAND NOTICE
Vancouver Land Recording District

TAKE NOTICE that I. Bruce Johnston Hargrave, of 6308 Laburnum St., Vancouver 13, B.C., plan checker, intends to apply for permission to purchase the following described lands, situated West of Alta Lake: commencing at a post planted 10 chains North 0 degrees 37 minutes West from an OPIP situated at the South West corner of Lot 2110 thence 10 chains North; thence 10 chains West; thence 10 chains South; thence 10 chains East (to the point of commencement), and containing 10 acres, more or less, for the purpose of ski cabins (week-end cabins).
Dated March 13th, 1966.
Bruce Johnston Hargrave

WHAT IS IGA?

IGA stands for **INDEPENDENT GROCERS' ALLIANCE**... the world's foremost group of independently owned and operated food stores. THE IGA movement, started in 1926, now extends from coast to coast with thousands of stores located in major cities and towns in Canada and 45 states... all working to bring the housewives of North America better foods at lower prices.

YOUR GROCER AND IGA

... Your grocer has joined IGA like the thousands before him in order to bring you quality foods at LOW PRICES. He believes in IGA principles... in the system of free and independent enterprise, a system striving to preserve small business, maintain a stable income for the farmer, good wages for labor, and good profits for industry. With this as an objective, we can further increase our high standard of living.

HOW CAN IGA DO IT?

... How can we sell everything at such low prices you ask. The answer is simple... IGA unites major units of food distribution. THE INDEPENDENT RETAILER in your community, the INDEPENDENT WHOLESALER, the MANUFACTURER, the FARMER and YOU. All work together in a well-knit, smoothly running organization. With operating costs as low or lower than those of any other system in the food industry. Today, because of the combined purchasing power of all IGA stores, we can sell at low prices Every Day in the Week — Week in and Week out.

LOW PRICES EVERY DAY

Regardless of competition IGA stores will always bring you Every-Day Low Prices! In fact, as IGA sales continue to increase and operating costs decrease — IGA Markets will be able to bring you even lower prices! This may surprise you — but it's true that IGA's operating costs are as low or lower, than those of any other system in the food industry today! That's why IGA can sell at rock-bottom prices every day of the week. That's why you save money all the year through when you shop at your neighborhood IGA Food Store.

PAUL MACKENZIE, acting manager

THIS was the former grocery store, owned by Mackenzies Ltd., which occupied a portion of the property now housing the new Mackenzies Shopping Plaza. The new IGA Foodliner shown above is a far cry from this building, over fifty years old, which was torn down to provide parking for the shoppers patronizing the new centre.

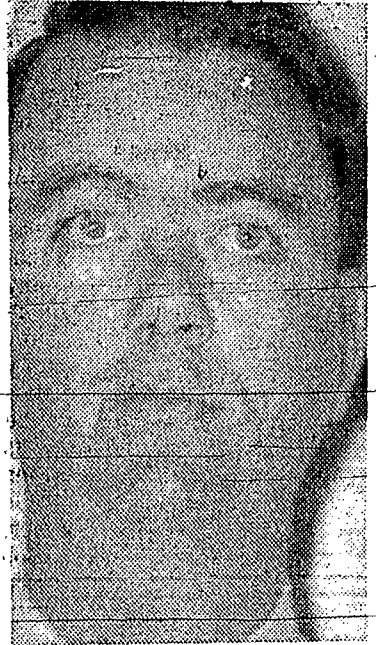

ANOTHER startling change in Squamish is the difference between the main street, Cleveland Avenue, in 1914 compared to what it looks like today. None of the buildings shown above remain. The last one to go is shown at the extreme right of the picture, the large gray building which later became Mackenzies Department Store. Forerunner of the new shopping plaza was the third building from the left where the Mackenzie business first opened in Squamish.

Returns to Squamish

Stewart's Drugs opens in Kennedy Building

Dave Stewart, who worked in Squamish from 1957 to 1961 at Yarwood Drugs Ltd., has returned to the valley to open his business in the new Kennedy building on Cleveland Ave.

The new store, attractively painted in a color scheme of chartreuse, white and mauve, with lemon accents, features dark wood effect arborite trim on shelves and fashions cupboards below the greeting card centre. The display shelves and cases are all raised off the floor giving an air of spaciousness to the building and making it easier to clean.

The tile floor in white with brown streaks and green accents, complements the colors of the rest of the interior while the modern prescription centre is open to the public so the customers can see and talk to the druggist. Two chairs nearby are for the comfort of customers who may have to wait while their prescriptions are being filled.

Two of the lines being featured in the new store will be Max Factor cosmetics and Carleton greeting cards. There is also a wide range of other cosmetics, drugs, and articles carried by the modern drug store.

Dave Stewart is a graduate of UBC with his B.S.P. and apprenticed in Squamish under B. H. Brown in 1957-58. He left Squamish in 1961 to open his own business in Lytton and, in his own words is "very happy to be back in Squamish."

With his wife, Elsie and their two children Barbara, 7 and David, 5, he is living in Tantalus Manor. During their years

in Squamish they both took an active part in the work of the United Church and he said their interest in church work continued in Lytton.

During his time in Lytton he was active in the Lions, president of the Lytton Board of Trade, interested in sports, especially softball and coached high school basketball.

Mrs. Stewart was active in the hospital auxiliary and the church auxiliary. They both took an active interest in all community activities.

"I am looking forward to liv-

ing in Squamish again," Dave said. "There is definitely a place here for a small business man and I am very happy with the store and the kindness people in Squamish have shown to us on our return. I am sure we are going to be very happy here." He also expressed keen interest in the news there was going to be a golf course in Squamish, and anticipated spending some time on it.

Assisting him in the store is Mrs. H. Nichols while Anne Simpson will be working on weekends.

TAKING a breather after their hard work on the W. A. tea at Pemberton are Mrs. Barbara Walker, convener, Mrs. G. Furniss, Mrs. H. Pipe and Mrs. R. H. E. Taylor.

NOW OPEN!

STEWART'S DRUGS

KENNEDY BUILDING - CLEVELAND AVE

SQUAMISH - 892-3411

Dave Stewart is pleased to announce the opening of his new Drug Store. Mr. Stewart is well known in Squamish having taken his pharmaceutical apprenticeship with Yarwood Drugs in 1957 after graduating in pharmacy at the University of British Columbia.

Letters to the editor

Editor, Squamish Times:
I hope that I would be the last to belittle the great work done by the Womens Institute since their inauguration, but there are inaccuracies in the article in the Times of March 24.

There were three Pemberton Fall Fairs held prior to the start of the Womens Institute. The first was held in the P.G.E. freight shed, I think in 1926, some six months before I arrived in Pemberton. There are others in Pemberton who can vouch for this.

This second was held in Ager-ton House, now the residence of Mr. J. Pattenaude. This was shortly after Joe Taillefer had moved his store over to Pemberton. The committee were the late C. W. Girling, John Ronayne and myself. The third was held in the Community Hall. There were no more until he Womens Institute took up the idea of an Annual Fair.

With regard to Pemberton telephones, I think some credit should be given to the Pemberton Board of Trade as I know they co-operated with the Womens Institute and the late H. Wyatt-Purden as secretary of the Board of Trade wrote many letters on this matter.

I personally was the first to propose an emergency health centre as the Pemberton Centennial project at a public meeting in the Community Hall to decide what the project would be, but I do give the Womens Institute the credit for the work on bringing the project into effectiveness.

In reports of the work done by various organizations, the routine business done from month to month and from year to year, is often not published and generally forgotten. This routine work is probably more important than that which makes the headlines.

Of the older organizations which have done a great deal of work for the benefit for the community of the Pemberton District, in addition to the Womens Institute are the Farmers Institute, Board of Trade, Canadian Legion, and the Diving District. Memory gets a little dim after 39 years, but the earliest organizations here were the Farmers Institute, the Anglican Church and the Boys Club.

Eric A. Gethen,
P.O. Box 98,
Pemberton, B.C.

Editor, Lions Gate Times:
Recently our honored reeve cast the deciding ballot against "grow control" in the municipality.

Now the small birds are nesting the "crows" are destroying their eggs.

We feel that this humanitarian was not acting in the best interests of all. We are all in favor of the reeve having his pets, but we are also in favor of motherhood for robins.

Lovers of All Birds.

Editor, Squamish Times:
At our Annual Meeting on Saturday, March 26th, 1966, our sincere appreciation was expressed for the coverage made by your newspaper in publicizing scouting events.

You have assisted in explaining the aims, principles and the program of scouting to the people of British Columbia and we know your assistance in some measure contributed to the increased growth of the Movement in the Province.
George Mussallam,
Provincial President.

WINNER of the Easter Seal Derby and the trophy donated by the Cheekye Doghouse is Art Walker of North Burnaby, shown above with his 12 1/2 pound prize winning steelhead. With him are Frank Field, who donated the trophy and Art Lloyd of

Squamish Lions Club, which sponsors the Easter Seal campaign in Squamish. The three-day derby drew a good number of entries and even the unseasonal weather failed to deter the ardent fishermen.

Outdoor news

Art Walker wins annual Easter steelhead derby

By John G. Wright

Congratulations to Art Walker of Burnaby on winning the annual Lions Club Derby for the Easter Seal Fund. His twelve and three quarter pound steelhead was by no means the largest fish taken over the Easter weekend but he took the time to buy a ticket and walked away with the trophy.

With his brother Richard, he fished the river over the three day holiday and on Sunday his father, Arthur Sr. joined his sons for a wet day of seeking the elusive steelhead.

The weather, while leaving a lot to be desired, in no way seemed to dampen the fishermen's ardor as forty odd fishermen tramped the river banks in search of the finny king of the stream.

The Cheekye Doghouse was the focal point of the activity as Frank Field weighed in the fishermen's catch. The derby, which was held on Friday, Saturday and Sunday, also had prizes for the biggest fish each day. Taking Friday's prize was Kingfisher Club president Bill Spagnot who received a thermos flask as did George Riley whose twelve and a half pounder caught on Saturday led the derby till nearly the end when Art brought in the winner. The thermos flasks were kindly donated by Robinson's and the Five to a Dollar Store.

Art Walker received a flashlight in addition to the trophy. The flashlight was donated by Brock's Sporting Goods.

FISH WILL BE AUCTIONED

A fish auction was also planned at the completion of the derby but due to the inclement weather, this was postponed till Sunday, April 17th. The fish for the auction were kindly donated by Dick Bartlett who gave two and W. Coulson, Art Walker and Al Olman, who by the way was last year's derby winner.

There were eight fish weighed in but this was not a true reading of the amount caught as sev-

eral others were not weighed in because they were too small. This derby was very well advertised both in the press and on the air and I feel certain that next year's will be bigger and better.

Sunday, April 17th, is the date set by the Kingfisher Club for

their annual steelhead derby which will also be held in aid of the Crippled Children's Society. Entry fee is two dollars with fabulous prizes for the winners. There will also be a winning ticket draw and a fish auction. Weigh in will be at 3 p.m. at Fergies.

Institute to build hall at Brackendale

The Brackendale Farmer's Institute is planning to build a new Institute Hall on property owned by the institute on Depot Road in Brackendale.

The hall, will be 58 by 36, with kitchen facilities and will be used for institute gatherings and also for various other activities in the Brackendale area. The Squamish Valley Riding Club and the Howe Sound Fall Fair Association have joined the Institute and will work with the members in this project.

The institute members, at a meeting on Wednesday evening, April 6th, endorsed the plan to

build the hall and the financial committee was instructed to get together and investigate means of financing the project.

The land would be cleared by volunteer labor and much of the work will also be done by volunteers. However the material will have to be purchased and while members discussed financing it amongst themselves, the financial committee was instructed to look into the possibilities of raising funds to build the hall.

Peter Bukowsky was elected secretary to replace the late Eric Axen.

7th birthday for Brett

Brett Hartnell entertained a group of his friends at a birthday party to celebrate his seventh birthday on Thursday, 24th March.

His guests assembled at his home after school and enjoyed games in the yard followed by hot dogs and other refreshments.

Invited to attend beside his three brothers, Cal, Vance and Monty, were John Barr, Jimmy Carrico, Billy Conley, Wayne Fraboni, Marvin Fulmek, Frank Hoogenboom, David Kilby, Mike Simpson and David and Larry Smith.

SURPRISE SHOWER FOR DIANE ELLIOTT

A spring theme was used by Mrs. D. Behrner, Mrs. T. Rivett, Mrs. D. Sandford and Mrs. G. Whiting in decorating the United Church Hall Thursday evening, April 7th for a bridal shower for Miss Diane Elliott.

Following the games arranged by Mrs. John Visona, came the opening of the gifts with Diane being assisted by her sisters Mrs. F. Green and Mrs. D. Patrick.

Refreshments were served by the hostesses Mrs. N. Candy, Mrs. B. Gedge, Mrs. S. Kilby, Mrs. A. Lloyd, Mrs. T. Marsh, Mrs. C. Pascuzzi and Mrs. W. St. James.

Use of the major transit system on the Expo site, Expo Express, will be included in the price of admission. This system will link the major areas of the Exhibition and will move 30,000 people both ways through the grounds every hour. Secondary transport systems will include minitrails, trailer-train systems, ferry and exotic boat systems. These will provide scenic tours as well as transportation to visitors.

Easter hunts and treats

Members of the Second Marmouam Brownies under the leadership of Mrs. Haffey enjoyed an Easter Egg Hunt on Garibaldi Highlands on April 6th. It was most enjoyed by the girls.

On April 7th, the two Easter bunnies who visited the school last year paid a return visit to the elementary schools in the valley and distributed eggs to the pupils. Between trips to the schools they paused for luncheon at the Chieftain Hotel where they created a great deal of interest.

MOTOR AID ALL CANADIAN LIMITED
ATTENTION MOTORISTS. OUR BUSINESS IS SAFETY AND PROTECTION.

Fortunately every car owner in British Columbia now must have their vehicle inspected.

The B.C. Safety Council and your Government is going all out to reduce the accident and death rate in this Province, and your co-operation will be gratefully appreciated.

Due to the tremendous increase in Automobile Accidents, every car owner and family are under PROTECTED TODAY.

You can increase this, only through, MOTOR AID'S most attractive Car and Family Protection Plan. (Includes all additional drivers in the family) FREE OF CHARGE!

will be held in the
PARISH HALL, SQUAMISH
8 p.m. Wednesday, April 27

to present reports on the activities of the District in 1965. One new member will be elected to the Board to replace Mr. L. R. Norton, whose term of office has expired.

NOTICE

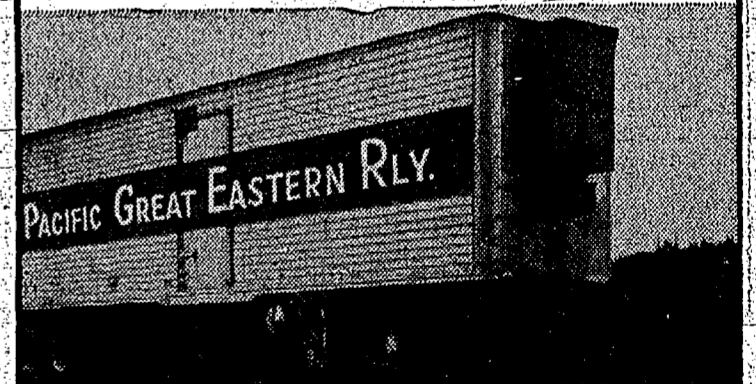

The annual meeting of the
GARIBALDI HOSPITAL IMPROVEMENT DISTRICT No. 23, Zone 2

will be held in the
HALL, PEMBERTON
8 p.m. Tuesday, April 26

to present reports on the activities of the District for 1965

Members of the Board of Trustees of the Squamish General Hospital will be in attendance to answer questions pertinent to the Administration and maintenance of the Hospital. Everyone interested is cordially invited to attend.

EVER THOUGHT OF GOING "PIGGYBACK" TO MARKET?

P.G.E. "Piggyback" trailer service could be the answer to your shipping problem. Here's how it works: a trailer is left with your company for loading. When the shipment's ready, a call to Pacific Great Eastern is all it takes to put your goods aboard a fast freight. P.G.E. offers specialized shipping for every product, always at competitive prices. That's why it's your best shipping route. (Best for passenger service, too.)

Howe Sound Highlights

April fool high jinks at the Secondary School

Friday, April 1, was April Fools Day at our school. Last year on this "All Fools Day" some of the classes started the tradition of the boys going to home economic classes and the girls going to industrial art classes. All the classes continued this tradition this year.

The first class of boys to go to the Textiles class learned how to baste and sew a seam. The girls in woodwork had a trick played on them when Mr. Doser decided he couldn't teach them anything and set them to sanding tables.

However one group of girls fooled him by industriously sanding with the wrong side of the paper. Girls in metal classes second period learned how to make a thumb tack lifter (that should come in handy!) Besides this switch of option classes the morning of April 1st was general havoc. Mr. Wagner's car was again transported from the parking lot into the school and someone's Honda ended up in the hall. One class even brought a fire hose into their homeroom. I wonder what that was for?

Desks were piled in corners and the teacher's desk was generally in some other room or at the end of the hall. The gym even got its share of the fun when some students pulled out the mats and chairs from under the stage and scattered them about.

The April fooling ended at noon hour.

STUDENTS ENJOY SUNSHINE

With the sunny weather during the last week of school (has spring really sprung?) the cafeteria seems a little less crowded as some students are eating outside or going down town. Of course the first day we got out of school it had to cloud over.

With the end of exams the end of another term has come. These exams are perhaps the most important of all and with the end of them we see the end of perhaps the most important work of the year, and surely the largest part of the work.

With the end of this term we

also see the end of the basketball season and the beginning of the track season. We shall remember this year's basketball season well. It will be when the senior girls lost games by one point and then won a game against Gibsons. It will be remembered for the games the senior boys won against Gibsons and Pender Harbor, and it will be remembered for the games the boys lost. It will be remembered for the exciting junior boys games, especially the ones they almost won. It will be remembered for the one game the junior boys played and won and it will be remembered for the game between the junior boys and junior girls (which the boys won).

MASHITER SCHOOL NOW A MEMORY

This term will be remembered for other things as well. When we think of the first months of 1966 we will think of this week we almost got an extra holiday from school because of the snow. And with the mention of snow we shall remember the icy winds we

shivered through as we went between the Mashiter and Howe Sound building and we will be thankful we don't have to go over to the Mashiter any more. We will also remember receiving our second report cards of the school year, the preparations and success of the annual Fun Fair, and the day the senior classes went on tours in Vancouver and attended the play "Romeo and Juliet."

And with the mentioning of our day and the play we shall remember the day we moved into the new wing. That day, the moving into the new wing was the beginning of a new era for our school and for the students in it. Though the new gym isn't in use yet it will be soon after the holidays.

The indoor Track-meet was also held during the third term and this will be another vivid memory of the beginning of 1966. Our outdoor track which will be a vivid memory of the last term of school will be held sometimes in May. Happy Easter holiday everyone!

Calling all performers

The ladies of the Harmony Circle of the UCW are holding their ninth Annual Amateur Hour on the evening of April 29th in the Auditorium of the Howe Sound Secondary School at 8 p.m.

As in past years the Leeworthy Trophy will be awarded to the most promising instrumentalist under eighteen years of age. This challenge trophy is at present held by Harry Stockman.

The outstanding performer of the evening will receive the trophy offered by the Harmony Circle; last year this was won by Kathy Sorban.

Entries will be accepted in four categories; children's

single, children's group, adult group and adult single. In each of the two children's classes there will be a first prize of five dollars, a second of three dollars and a third of two dollars. In the adult section there will be two prizes in each category, a first of ten dollars and a second of five dollars.

Anyone wishing to enter this perennially popular talent contest is asked to contact Mrs. Thor Halvorson at 892-5097 or Mrs. Danny Carson at 892-3398.

The Jean Neil Circle will sponsor a candy stall; if you wish to nibble during the concert, buy early, as this is a popular booth.

THE ADDITIONS to the Signal Hill Elementary School have been completed and the building is now a five-room school. The move of pupils from the Pemberton Elementary-Secondary to Signal

Hill was made without difficulty and the former will now be a Secondary School with no elementary grades.

ELEMENTARY PUPILS MOVE AT PEMBERTON

Elementary students who had been attending Pemberton Elementary-Secondary School made the move to their new quarters at Signal Hill School recently.

The move was completed in an orderly fashion with buses going first, followed by the buses and then the teachers.

Total enrollment at the school will be much larger with five classrooms now in operation at the Signal Hill School.

Clean-up week at Pemberton

Pemberton — The Pemberton Lions Club is sponsoring a Clean-Up week and trucks will be around on Saturday, April 6th to pick up unburnable refuse at the homes.

The area to be covered in the clean-up campaign will be from Lundgren's on the north to the Health Centre Road, including all homes south and east of Lundgren's.

Bill Brotherton, Bob Herron and Sonny Taylor with other members will be in charge of the project which will start at Lundgren's at 10:00 a.m.

In conjunction with the campaign gold and purple trash cans will be set out in the vil-

lage and along the highway for the deposit by the garbage collector while the Lions will look after the ones in the outlying areas.

Trash cans will be set out on Friday, April 15th by Harold Pipe, Lorry Talbot and Sonny Taylor.

These two projects, sponsored by the Pemberton Lions will help to keep the village and outlying area clean and attractive to the many visitors who will be coming to the valley now that the tourist season is in full swing.

Congratulations to Cpl. and Mrs. E. Greba on the birth of a daughter, Anne Louise, weighing six pounds two ounces, in Squamish General Hospital on Saturday, April 2nd.

BOARD OF SCHOOL TRUSTEES SCHOOL DISTRICT No. 48 (Howe Sound) KINDERGARTEN

TO THE PARENTS of boys and girls eligible for kindergarten in September, 1966.

Dear Parents:

Your Board of School Trustees has decided to offer your son or daughter the opportunity to participate in free kindergarten classes to be operated by the school board.

The Board plans to operate these as follows:

- (1) Registration will be limited to those who will reach their 5th birthday on or before December 31, 1966.
- (2) Transportation to and from the schools will be the responsibility of the parents.
- (3) Classes will be operated in areas where classroom space is available and where the number of pupils is in excess of 25.

The Board is making every effort to obtain the services of fully qualified kindergarten teachers but will need to know how many youngsters will be attending before final arrangements can be made.

If you would like your child to attend, please complete and return the application form today (and in any event no later than April 25th) to ensure that a place is reserved in September. The Board cannot guarantee that there will be a place for your child unless you apply now.

Yours very truly,
H. H. Bailey,
Chairman of the Board.

RANGING FAR AND WIDE over British Columbia highways during the next nine months will be the British Columbia Centennial Caravan, two 55-foot truck-trailer units decorated with a colourful descriptive mural. Inside the big caravans will

be animated displays, with special lighting and sound effects, highlighting the province's past, present, and projected future. The Centennial Caravan will visit Squamish tomorrow, Friday, April 15th from 1-10 p.m. (British Columbia Centennial photo)

Garbage dumping causes concern

At the regular meeting of the Council for the Village of Pemberton, Cecil Starks was sworn in as the new Village Commissioner. Mr. Starks was recently elected to replace Max Roy who has moved to the coast.

In the absence of Mr. Cooper the village chairman, Philip Perkins was appointed by the group as acting-chairman for the evening.

During the recent high water, the village water system was switched back on to the old water-system, because of the sediment in the creek. The village will hang onto the old system to be used in case of emergency.

The garbage commissioner reported that unauthorized people are dumping garbage in the garbage dump. Permission must be obtained from the garbage contractor before anyone can use the dump.

A letter was read from Victoria regarding the control of

air and water pollution. This commission feels there is a need for provincial control of the same and have written advising of this.

An application was received from Mr. M. Urdal for water service to his lot outside the village boundaries. A letter has gone to the Inspector of Municipalities asking for ruling: re: supplying water services outside the Village.

A letter is to be written to Mr. Urdal advising him that it was impossible to supply water outside the village boundaries under the present system but the matter is under study.

A petition from the Lions Club requesting permission to place waste containers at strategic spots throughout the village was read. The village would be responsible for collecting the waste. Approval was given with council retaining the right to remove the containers if they did not prove satisfactory.

Fall Fair set for Aug. 26th

Pemberton — Date of the Pemberton Fall Fair has been set for August 26th. A meeting held on April 5th was poorly attended so another one has been set for April 29th, at the home of Mrs. Collister when the prize lists will be revised. T. B. M. Fougberg is again president of the committee with Mrs. L. Ross secretary and Mrs. H. Fotsch, treasurer. Mrs. H. Pipe, who has been secretary of the fair for the past five years has resigned. Named to the directorate were Mr. and Mrs. J. Moore,

Mrs. E. Collister, Mrs. G. Sinis, H. Pipe, J. Guthrie, E. Gethen, Mrs. George Williams and Mrs. Mary Louise Williams. The fair will again be held at the Pemberton Secondary School and as this will be the centennial fair, anyone with relics at least one hundred years old or more is asked to permit them to be put on display. These valuable items will be placed under glass and guarded.

Plans are also underway to have a gymkhana held in connection with the Fall Fair and rides and other concessions are also planned.

Centennial and parks group meet

Pemberton — The Pemberton Centennial Committee and the Pemberton Park Board members met on April 6th to discuss developing the facilities at the park at One-Mile Lake. This park development is the Pemberton Centennial project.

The secretary will compile a report containing the list of donations and pledges made by local organizations. At present no canvassing of the valley or the village has been done and the pledges have been made by local groups.

The chairman of the Parks Board, Wendell Watson, and the centennial planning committee will look over the ground at One-Mile Lake for the proposed centennial project. They will familiarize themselves with the area and the work to be done will be done in the most suitable spots for the type of

development planned. Attending the meeting for the centennial committee were T. B. M. Fougberg, L. Ross, J. Graham, Mrs. P. McCulloch, Mrs. E. Collister, G. Furniss, Mrs. M. Miller, C. Runayne and Mrs. E. Leach while representing the Parks Board were Wendell Watson, J. Graham and L. Fowler.

ANNOUNCEMENT

We are pleased to announce the formation of the
Squamish Valley Contractors' Association

At the meeting held Tuesday, April 5, in the Squamish Hotel, a well attended meeting of local contractors and building suppliers temporarily adopted the by-laws of the Vancouver Contractor's Association and elected three officers: Al Smith, Pat Goode and Ralph Sandberg.

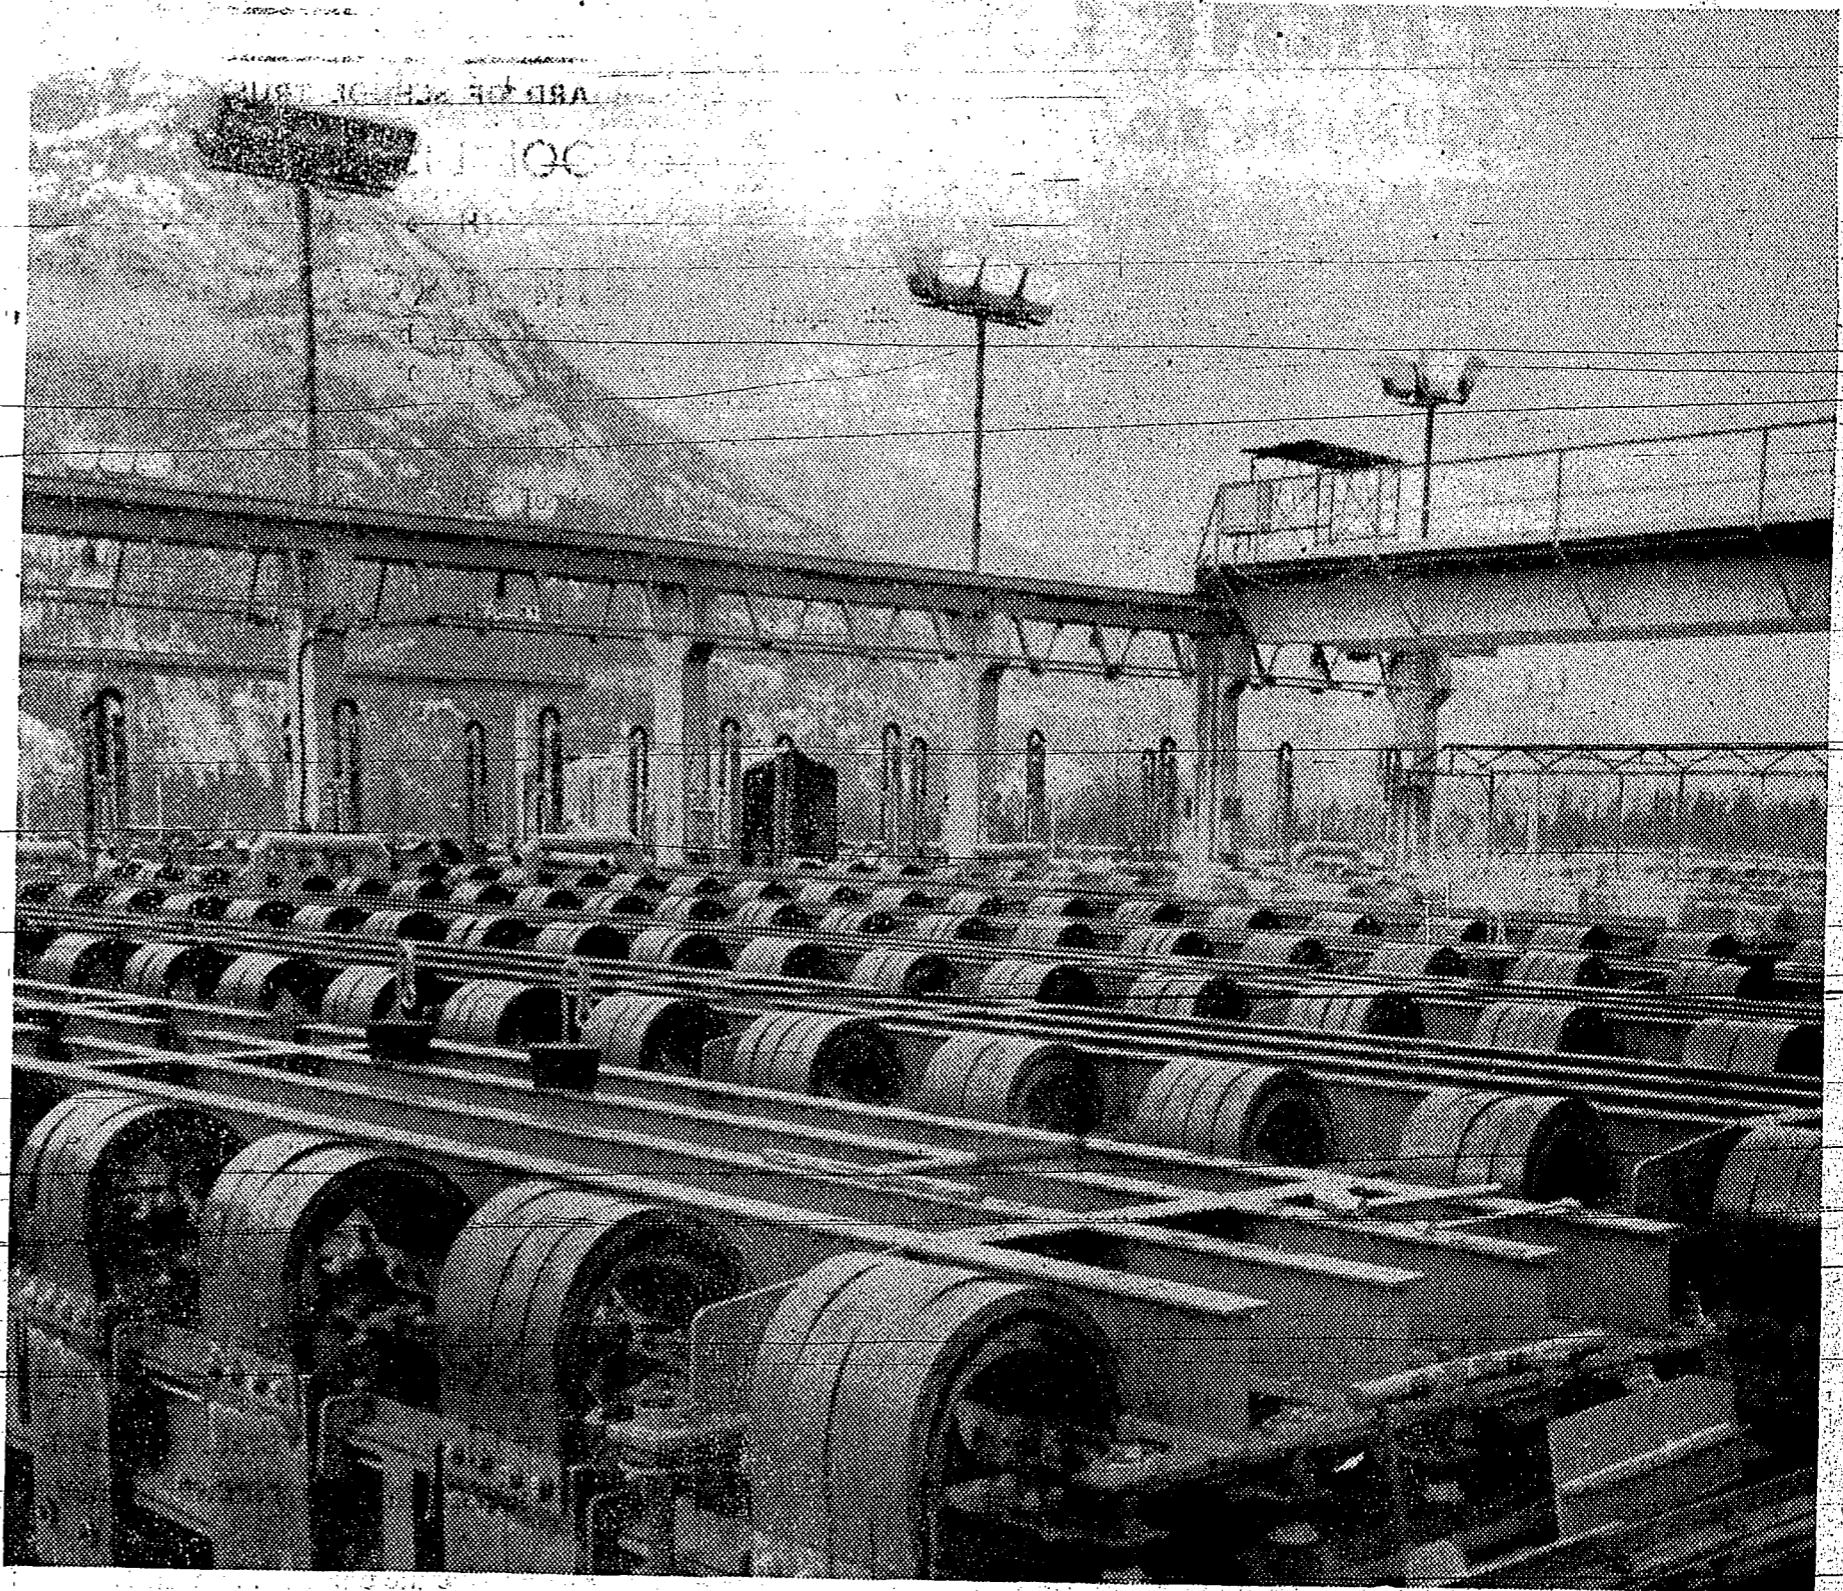

This meeting was attended by Ken Gervin of the Vancouver Contractor's Association who assisted in the meeting and promised co-operation from his Association of 400 members.

The purpose of the new Squamish Contractor's Association is to maintain a high standard of work and to co-operate with all trades in the Squamish Valley for the purpose of retaining as much work as possible for local business firms.

Any companies interested in taking out a membership to the Squamish Valley Contractor's Association are asked to contact Ralph Sandberg at:

892-5858

WATCH THIS NEWSPAPER FOR
 DATE OF THE NEXT MEETING

The first outdoor chlorine-cell installation in the Western Hemisphere is now on stream.

It's phase one of FMC Chemicals Ltd. in Squamish—the most modern plant in the world, supplying, by water and rail, over 150 tons of chlorine and caustic soda per day to the dynamic pulp and paper industry of British Columbia.

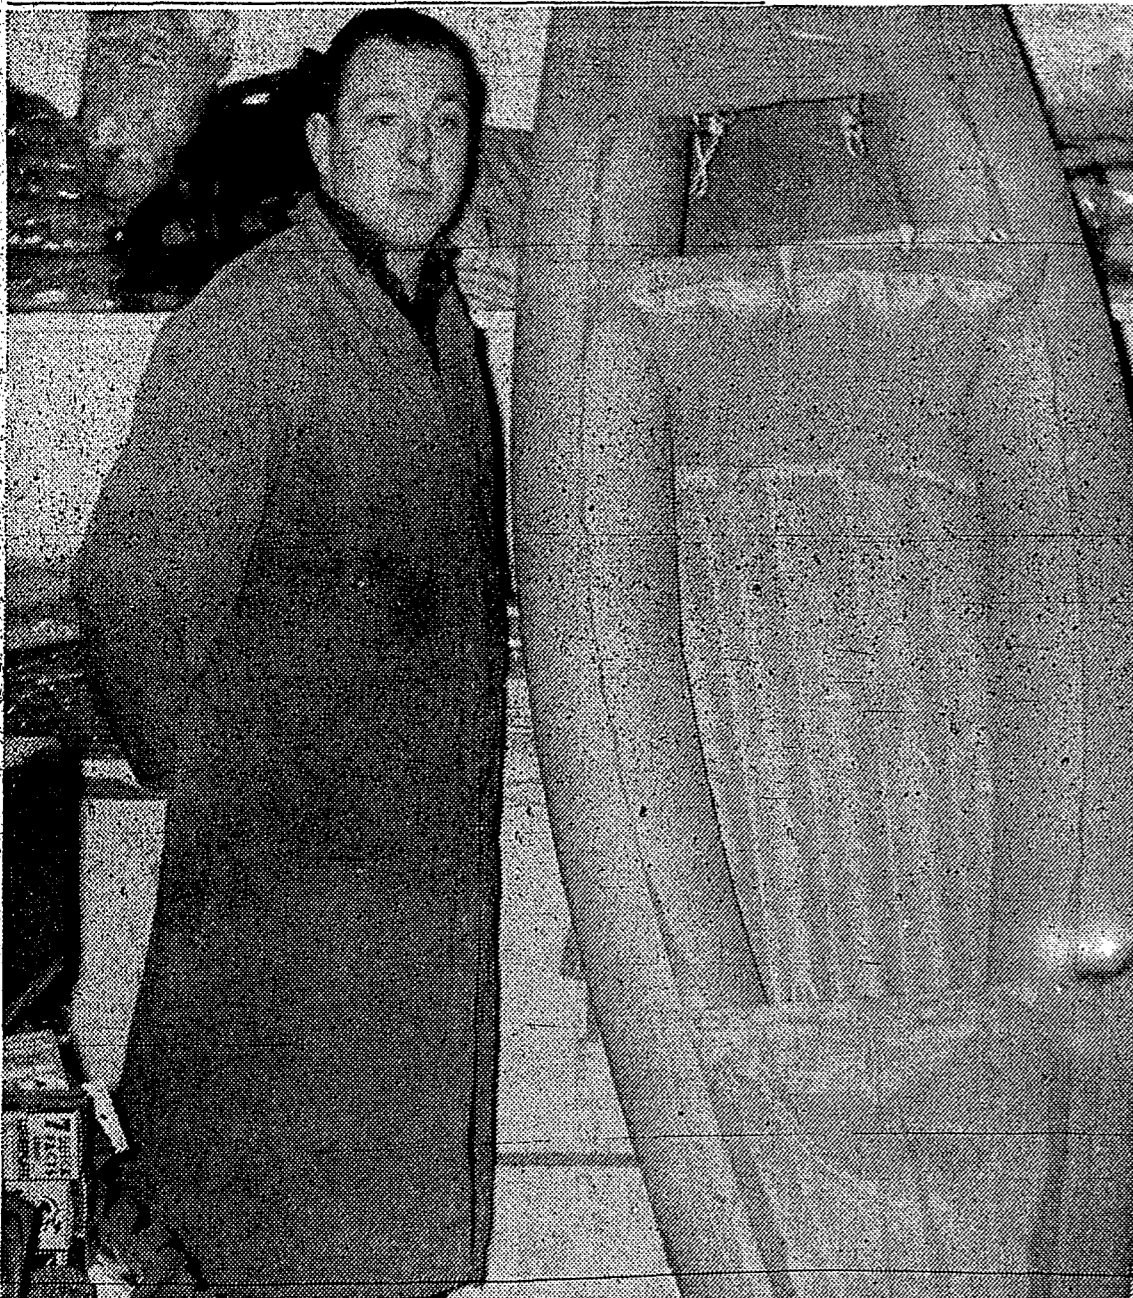

It's the first example of the outdoor location of chlorine cells in the Western Hemisphere, involving the electrolytic separation of chlorine gas from salt

solution. It's also another example of the growth and diversity of FMC Corporation, one of the world's leading manufacturers of chemical raw materials for industry and defense.

FMC Chemicals Ltd. is proud to have completed this first step in what should be a long and mutually profitable association with Canadian industry and commerce.

FMC CHEMICALS, LTD., SQUAMISH, BRITISH COLUMBIA

JIM NORSTROM, whose Howe Sound Equipment is located in the old post office building on Cleveland Ave., is shown beside an inflated rubber boat, one of the many items he is carrying in his new shop. Originally started as a power saw sales and service shop, it has mushroomed into a business carrying a wide variety of equipment for sale and rental.

Daytime service

Howe Sound Equipment moves to new location

Jim Norstrom has moved his Howe Sound Equipment business from the small shop in the North Yards area to the former post office on Cleveland Ave., and will now be able to offer daytime service to his customers.

"The former shop was only open in the evenings," he said, "but now, that I have a downtown location, I shall be able to offer a full daytime service to both the chain saw and other customers."

Mr. Norstrom brings many years experience to his chain saw business. He has worked in the woods for 23 years, starting in 1943 setting chokers for Bloedel. In 1945 he worked in the shops and as a faller until 1952 when he went bull bucking in the Queen Charlottes. At the same time he worked as a

chain saw mechanic and he has been doing this ever since. He came to Squamish in 1962 and opened his business in the North Yards the following year.

"I started out with just the McCulloch agency," Jim said, "but soon the boys would start asking for chain saw parts and they wanted a pair of gloves or some other items of clothing so I added this to my stock. The business just grew."

In addition to the chain saws and repairs, and line of men's work clothing, Howe Sound Equipment carries other articles such as lawn mowers, motors, boats, and various other items.

He also operates a rental agency with chain saws, lighting plants, cement mixers, steel and concrete cutters, pumps, rototillers and other items for rent for the day or longer.

With the opening of his new quarters in Squamish he hopes to be able to offer better service to his customers and more equipment.

"I don't know how I managed to contain all this in the small shop at the North Yards," he said. "You can see how much there is here and when I got it on the shelves I just couldn't see how that small building managed to hold it all."

Be particularly careful this winter when you drive on bridges and overpasses, the B. C. Automobile Association says. They can be accident traps for unwary drivers. While melting snow may have disappeared from most of the roadway, bridge surfaces exposed to the cold below may still be slippery.

Thurs. - Fri. - Sat. April 14 - 15 - 16
